

# SCIENCE OLYMPIAD

## BUILD IT DAY

at

# IUPUI

**Saturday, November 7, 2009**  
**9:00 a.m. – 4:00 p.m.**

Spend a day at IUPUI building the devices you will need to participate in a Science Olympiad competition. The opportunity to get guidance on how to build devices for the following events will be available from 9:30 a.m. to 4:00 p.m.

Battery Buggy (B)  
Egg O Naut (C)  
Elevated Bridge (B and C)  
Junkyard Challenge (C)  
Mission Possible (C)  
Mousetrap Vehicle (B)  
Physical Science Lab (B)  
Physics Lab (C)  
Trajectory (B and C)  
Wright Stuff (B)

We will also be holding a **New Coaches Session** at 11:00 a.m. This will give new coaches an opportunity to learn from veteran coaches about how to form teams, prepare for competitions and integrate Science Olympiad into your curriculum.

Teams attending Science Olympiad Build It Day at IUPUI are asked to register in advance. There is no cost to attend. You will receive a list of suggested materials to bring to Build It Day. To register and find out more, visit [www.iupui.edu/scienceolympiad](http://www.iupui.edu/scienceolympiad).

Science Olympiad is an exciting team science competition that can energize the teaching of life, personal and social science; earth and space science; physical science and chemistry; technology and engineering; and inquiry and nature of science. Students compete in either middle school (B) or high school (C) divisions in 23 different events. More information on Science Olympiad can be found at [www.soinc.org](http://www.soinc.org). If you haven't registered your team for the 2010 competitions, please do so at <http://www.goshen.edu/bio/SciOlymp/SciOly.html>.
