Lynn Rogers has spent over 30 years learning about wildlife and sharing his information with the public. Using airplanes, vehicles, and snowshoes, he radio-tracked over 100 bears in the vast forests of northeastern Minnesota, studying some for as long as 22 years. Rogers' study is the source of much of the scientific information on black bear behavior available today. He has written over a hundred scientific articles on black bear behavior and ecology. He has appeared on the Discovery Channel, National Geographic Explorer's "Bear Talk," PBS' Nature, and is the subject of Animal Planet's documentary: "The Man Who Walks With Bears."

Red Mill County Park
0185 S. Holmesville Rd.
LaPorte, Indiana 46350

Red Mill is located on 160 acres just south of Michigan City off U.S. Highway 421. This 160-acre park offers trails for hiking and mountain biking, fishing, picnic areas, and a playground. The remaining parcel that the LaPorte County Park Foundation presently holds is host to a variety of wildlife. It includes a 108-acre State Dedicated Nature Preserve and headwaters to the Little Calumet River with 23 acres of wetlands and open water.
