The provisions and requirements stated in the Goshen College catalog are not to be considered as an irrevocable contract between the student and the college. The college reserves the right to make changes that it deems necessary at any time, without notification. Alterations may include course and program changes and cancellations. The online version of the catalog will be updated periodically to reflect such alterations. The responsibility for understanding and meeting the graduation requirements published in the Goshen College catalog rests entirely with the student.

Introduction

Goshen College offers three graduate programs:

Master of Science in Nursing -- Family Nurse Practitioner

Master of Arts in Environmental Education

Master of Arts in Intercultural Leadership

The graduate nursing program is based on the Goshen College campus. The environmental education program is based at the Merry Lea Environmental Education Center of Goshen College near Wolf Lake, Ind. The intercultural leadership program is a combination of distance learning and on-campus courses, based at the Center for Intercultural and International Education. Each of the three programs is unique in perspective. Interested parties should refer to the programs' websites and/or individual graduate program handbook for official policies, programs, admission and degree requirements, course offerings and opportunities.

The **Master of Science degree program in Nursing** offered by Goshen College is built on a venerable tradition of excellence in nursing education at the undergraduate level versed in the core values of the college. The program is designed for the registered nurse who is a graduate of a baccalaureate program in nursing, and is conveniently designed with courses meeting once per week during late afternoon and evening hours.

The family nurse practitioner program is comprised of 48 credit hours and requires 672 clock hours of clinical practice with a preceptor. The curriculum prepares students for the certification exam. The website address is <http://www.goshen.edu/nursing/masters>.

The Merry Lea Environmental Learning Center offers a **Master of Arts degree in Environmental Education** that is designed for people who want to work as environmental educators with students of all ages in diverse settings. This is an intensive experience that covers all aspects of environmental education and emphasizes natural history and practical experience. Six core courses, two practicum experiences and a personalized project are completed in 11 months (July through June). The website address is <http://merrylea.goshen.edu/graduate-program>.

The Center for Intercultural and International Education offers a **Master of Arts in Intercultural Leadership** which is designed for mid-career working professionals, including business managers, educators, health-care professionals and non-profit leaders who work in increasingly diverse settings. The 18-month program consists of three residential sessions on campus (in January, July and January) alternating with online coursework. The website address is <http://www.goshen.edu/adult/mail/>.

Vision and mission of the college

Vision statement

Goshen College will be recognized as an influential leader in liberal arts education focusing on international, intercultural, interdisciplinary, and integrative teaching and learning that offers every student a life-orienting story embedded in the five core values.

Educational mission and core values

Goshen College is a liberal arts college dedicated to the development of informed, articulate, responsible and compassionate Christians. Our community of faith and learning is built on five core values: Christ-centeredness, passionate learning, servant leadership, compassionate peacemaking and global citizenship. Through our academic and campus life programs, students will develop the knowledge, skills and values for:

A life that is **Christ-centered**, with

- a reflective faith that nurtures spiritual growth in individual and corporate contexts.
- an active faith that informs all of life's choices.

A life of **passionate learning**, through

- the mastery of a major field of study as the basis for life-long learning, service, relationships and work in a socially and culturally diverse context.
- an extensive foundation of knowledge, skills, processes and methodologies derived from a liberal arts curriculum that are required for systematic study and problem solving.

A life of **servant leadership**, based on

- a leadership ability that empowers self and others.
- a healthy understanding of self and others that is reflected in relationships of interdependence and mutual accountability.

A life of **compassionate peacemaking** with

- a personal integrity that fosters the ability to resolve conflict and to promote justice.
- a commitment to diversity in all of its forms both conceptually and in practice.

A life of **global citizenship** with

- an intercultural openness with the ability to function effectively with people of other world views.
- a responsible understanding of stewardship for human systems and the environment in a multicultural world.

Historic church relationship, open to all

Goshen College was established in 1894 and is affiliated with Mennonite Church USA, a Christian denomination that grew out of the 16th-century Anabaptist movement in northern Europe. With the Friends (Quakers) and the Church of the Brethren, Mennonites are one of the three historic peace churches in the United States. From the church in which is rooted, Goshen College has derived a spirit of peacemaking, simplicity, mutual support and biblically based service to those in need.

About 50 percent of undergraduate students and 70 percent of faculty members are Mennonite affiliated. Other students come from approximately 35 different Christian denominations and several world religions, and include strong representations from Catholic, Methodist, Baptist and Lutheran traditions. All faculty members are active Christians, and many have lived or worked outside the United States, often in church-related mission or service work. Students are not required to be Christians to attend Goshen, but must be willing to accept and live by the Goshen College commitment to community standards. All who are willing to search for truth with integrity are welcome.

Accreditation

Goshen College is accredited by the Higher Learning Commission and is a member of the North Central Association. [<http://www.ncahigherlearningcommission.org/>], (312) 263-0456, (800) 621-7440].

The department of nursing is approved by the Indiana State Board of Nurses Registration and Nursing Education and accredited by the Commission on Collegiate Nursing Education [<http://www.aacn.nche.edu/accreditation/>]. Alumnae of Goshen College are admitted to membership in the American Association of University Women. Goshen College is registered with the Regents of the University of the State of New York.

Equal opportunity

Goshen College is in compliance with all federal regulations pertaining to nondiscrimination on the basis of sex, race, color, national or ethnic origin and disability in its recruitment, admission, educational, athletic, financial aid and employment policies and programs. We welcome all students as God's creation regardless of color, gender, religion, ethnicity or nationality, sexual orientation and social or economic class.

Center for Intercultural and International Education (CIIE)

The Center for Intercultural and International Education (CIIE), is home to offices for International Education, Diverse Student Support, the Institute for Latino Educational Achievement, and the graduate program in Intercultural Leadership. All undergraduate students participate in a study-service term. For more information, see www.goshen.edu/sst.

The office of Diverse Student Support plans special events such as as the annual Martin Luther King, Jr. Study Day and the celebration of heritage months. Faculty advisers provide academic, social and personal support for multicultural students on campus. For information about the Institute for Latino Educational Achievement, see www.goshen.edu/ciie.

Ecological Stewardship

In 2007 President James Brenneman signed the President's Climate Initiative which commits Goshen College to work toward climate neutrality. An ecological stewardship committee of students, faculty and administrators is leading the campus in collaborative efforts to encourage sustainable practices and reduce use of fossil fuels.

Merry Lea Environmental Learning Center

Owned and operated by Goshen College, the Merry Lea Environmental Learning Center is a 1,189-acre complex of fields, forest, bogs and meadow located 30 miles south of the campus. Opportunities are available for field research in natural sciences, undergraduate May term study in ornithology or entomology, summer study in agroecology, and teaching internships in outdoor education. More than 6,000 K-12 children each year are guests at Merry Lea. Facilities include an environmental-education building that houses a classroom, offices and library, a Farmstead, a pavillion, and some housing with overnight accommodations. Rieth Village, a set of "green" collegiate laboratory/residence buildings, was completed in 2006. Rieth Village received a Platinum award, the highest level

possible, from the U.S. Green Building Council's LEED (Leadership in Energy and Environmental Design) rating system.

Grievance Policy - Nonacademic grievances

The grievance procedure at Goshen College is a process by which nonacademic differences between students and employees of Goshen College (and employees of Goshen College and their supervisors or managers) can be resolved. Grievable issues are defined in the policy. The first step is an informal process, attempting to resolve differences through discussion. If this is not successful, the second step, a formal, written grievance procedure, is initiated. Information about the grievance policy and assistance with understanding the procedures is available from the human resources director.

Grievance policy - Academic grievances

Academic grievances originating with a student should be processed through the relevant professor. If necessary, the process can progress further to the graduate program director, the associate dean, and, ultimately, an academic response team. The academic grievance policy is available on the academic dean web page at <http://www.goshen.edu/academics/dean>

Student Life

Commitment to Community Standards

A spirit of hospitality

Goshen College is dedicated to fostering a spirit of hospitality on our campus, including all students, faculty and staff and college guests, as part of maintaining a healthy living and learning community. We welcome all students as God's creation regardless of color, gender, religion, ethnicity or nationality, sexual orientation and social or economic class. In order for a diverse community to thrive, we must recognize our differences and seek understanding and integrity in our relationships. Students and faculty at Goshen College are expected to support an environment of mutual respect and accountability, to care for the personal dignity of others and to have integrity in their conduct and communication.

The spirit of respect and hospitality at Goshen College reflects our character as a Mennonite-Anabaptist liberal arts community of scholarship, teaching, learning and service. We believe that the expression of hospitality is best understood in the life and character of Jesus Christ, who welcomed the Gentile and the Jew, women and men, the poor and the wealthy, the slave and the free, the sick and the healthy. The Mennonite Church promotes a community founded on love and justice in which all persons possess inherent dignity as children of God. Our search for truth and our understanding of complex modern challenges is informed and transformed by the life and teachings of Jesus and the tradition of Anabaptist Christians to be accountable to each other in the context of the church.

Invitation to Christian community

Goshen College is committed to encouraging students in intellectual, social, moral and spiritual growth. Students are invited to engage in a dynamic and life-giving community here and to mature as individuals through respectful relationships in the classroom, the local community, in the broader Christian church and among other cultures. All are expected to demonstrate sensitivity and concern for others' convictions, perspectives and struggles. Within the context of a Christ-centered community, we seek to become passionate learners, global citizens, servant leaders and compassionate peacemakers.

Expectations

Members of the Goshen College community are expected to demonstrate individual responsibility in showing consideration for the beliefs and feelings of others; abiding by federal, state and local laws; and demonstrating exemplary conduct. When a student's behavior has direct implications for others and/or the well-being of the campus community, there is cause for community involvement.

Academic honesty

As an academic community that expects integrity, we seek for truth and knowledge by requiring intellectual and personal honesty in learning, teaching, research and service. As an academic community of integrity, we uphold personal accountability and take action against wrongdoing. For policy details, see academic integrity in the Academic Policies section of the catalog.

Alcohol and illegal drug use

Goshen College is an alcohol free campus and a drug-free campus. The possession, distribution or use of alcoholic beverages and any illegal drugs is prohibited on campus. Misuse of these substances creates dependencies, causes behavior problems, and damages health. For these reasons, Goshen College recommends non-use as the most appropriate lifestyle choice. Alcoholic beverages and illegal drugs are prohibited from the

campus and all college-related functions. Students will be held responsible for any alcohol, drugs or drug paraphernalia found in their presence on campus.

Firearms-fireworks

The possession or use of firearms or fireworks is prohibited on campus.

Fire and safety equipment

Tampering with any fire and safety equipment on campus is unacceptable.

Fraud and theft

Students are expected to respect the identity and property of others. Examples of fraud or theft include (but are not all inclusive of) dishonesty on timecards, theft or misuse of personal or college property, and identity theft.

Racial prejudice

Racial prejudice is attitudes or beliefs that hold particular racial or ethnic groups superior to others, often resulting in justification of discriminatory treatment or other acts of racial prejudice. Racial prejudice denies the humanity of others and denies the truth that all human beings are made in the image and likeness of God.

Goshen College creates a social and academic environment where students develop awareness of issues of race, sensitivity to minority populations and intercultural understanding. The campus reflects God's world: multicultural, multiracial and multiethnic. We believe that attitudes and actions of racial prejudice do not exemplify the love of Christ, and violate the inclusive intention of the mission of Goshen College.

As an institution of the Mennonite Church, Goshen College believes that racial prejudice is contrary to the life and teachings of Christ. Therefore, we will resist the pervasive racial prejudice of our society by identifying and confronting its evidence.

Sexuality

Sexuality is an integral part of our personalities, reflecting who we are as individuals. To care for another person includes honoring and respecting that person as a sexual being. Sexuality cannot be separated from the other dimensions of our lives. It is our understanding that sexual intercourse is to take place within the covenant of marriage.

Sexual misconduct includes, but is not limited to discrimination, coercion, exploitation and abuse. These destructive behaviors are detrimental to both relationships and individual self-esteem; they also violate the caring nature of our community. Goshen College is firmly opposed to sexual discrimination, sexual harassment, sexual exploitation and sexual abuse.

The goal of accountability in these matters, as in all others, will be for well-being, reconciliation, repentance, forgiveness and redemption. Our counseling and health-service personnel are available to students wishing to discuss issues regarding sexuality or sexual behavior. These conversations will be held in strict confidence.

Tobacco use

Goshen College is a smoke-free campus. The use of tobacco imposes a serious and unnecessary burden upon the health of the user and community. It also constitutes a fire hazard in some cases. Use of tobacco in any form is prohibited on campus or at any off-campus official college activity and strongly discouraged elsewhere.

Threats of violence

An act or threat of violence against another individual, whether verbal or physical, is unacceptable.

Vandalism

Any vandalism on campus will be considered offensive behavior. Responsibility for restitution will be expected.

Serious intent

While it is difficult to determine a framework of community standards that completely matches the ideals of each individual, clear expression of commonly held expectations is vital to productive, positive life and work together in a diverse campus setting. Every Goshen College student is expected to show serious intent to live according to these standards. Information regarding the disciplinary process is located at www.goshen.edu/aboutgc/community/.

Campus ministries

Goshen College encourages growth in faith through worship, Christian community and service. The Campus Ministries office offers both support for students' faith journeys and challenges to new discoveries in spiritual life. While Goshen is a Christian college rooted in the Mennonite Church USA, we welcome seekers and people of all faiths to attend campus spiritual life activities.

Worship opportunities include chapel services every week, a variety of worship groups that meet throughout the week, and Sunday morning involvement in local congregations. Worship groups meeting during the week include Bible study groups, Taizé worship and student-led contemporary worship. Facilities that support spiritual development include: **Labyrinth** – an outdoor space for contemplative prayer, located between East Hall and the Music Center.

The Quiet Place - rooms for individual reflection and small group meetings in the basement of Coffman Hall.

Witmer Woods and College Cabin – an 18-acre arboretum of plants native to Indiana located across Main street from the campus. The College Cabin, adjacent to Witmer Woods, is available to students for meetings and recreational activities. A Meditation Garden is located near the College Cabin along the Elkhart River. It is a place for quiet reflection and contemplation.

Academic Support

The Academic Resource & Writing Center (ARWC) promotes independent, life-long learning for all students of Goshen College. The ARWC assists students with documented disabilities by helping them advocate for themselves and by helping coordinate reasonable academic accommodations with teaching faculty. The ARWC trains peer writing mentors and tutors who are available to help all GC students grow as writers and scholars. The center is open during the traditional academic year only and is located in the Good Library.

Roman Gingerich Recreation-Fitness Center

The Fitness Center is available for a wide range of walk-in fitness activities. Graduate students may use their student identification card to access the exercise facilities.

Health insurance

Full time graduate students (8 credits or more) are eligible to enroll in the Goshen College student insurance plan if needed. For those who purchase the Goshen College student insurance plan, Goshen Family Physician will serve as their primary care provider. If students already have established insurance and health care providers, they are encouraged to retain those services for their primary healthcare needs.

Health forms required

All graduate students are required to have on file proof of immunity to Measles, Mumps and Rubella (MMR). Students must complete the Measles Form. All students in the Masters of Environmental Education Program must complete the Confidential Health Report form prior to enrollment at Goshen College.

Health services

Full time graduate MAEE students are eligible for health services, provided the proper paper work is completed prior to the first day of class. Goshen College has contracted with Goshen Family Physicians to provide both preventive and treatment services to all qualified students. Goshen Family Physicals is located 1.5 miles from campus at 1811 Charlton Court (574) 534-8200.

As part time students, graduate students in the MS in Nursing and MA in Intercultural Leadership programs are expected to address health concerns with their established health care provider.

Privacy rights

Student Life staff members honor the national FERPA law, which protects individual student information. See the Academic policies section for more details.

Campus opportunities and services

Arts opportunities

Art galleries

Two art galleries on campus contain rotating exhibits. The Hershberger Art gallery located in the Music Center exhibits works by guest artists, art faculty and art students. A second gallery located in the basement of Good Library features historical and cultural exhibits.

Performing arts series

The annual Performing Arts Series brings worldclass performers to the campus Music Center. Recent artists include Sweet Honey in the Rock, Chanticleer, Punch Brothers, Chieftains, Juliard String Quartet, The King Singers, Wailin' Jennys, and Wynton Marsalis.

Music activities

Goshen College music department ensembles include Chamber Choir, Men's Chorus, Women's World Choir, Orchestra, chamber music groups, and Lavender Jazz. The choirs perform several on-campus concerts each year, and at least one choir tours annually. The orchestra performs a repertoire of classic and contemporary symphonic music and Lavender Jazz performs standard and contemporary jazz music at concerts in the impressive Sauder Concert Hall in the Goshen College Music Center. The annual Festival of Carols in early December is a popular regional event. A fully-staged opera, operetta, or musical is produced in alternate years. In addition to these groups, a variety of student-formed groups participate in coffeehouses, talent shows and worship teams.

Theater activities

Goshen College provides an array of theater productions including full staged productions, one-acts, and on alternate years, a musical theater production.

Bookstore

The Goshen College campus bookstore is operated by Follett and is open year-round. Textbooks for all courses can be purchased online through eFollett or in person at the campus store. Used books are made available whenever possible. At the end of each term, the bookstore also offers convenient buyback services at market rates. Follett contracts with apparel companies that practice fair hiring processes. See <http://www.goshen.edu/bookstore/> for more information.

Campus Center for Young Children (CCYC)

Established in 1998, the Campus Center for Young Children offers quality childcare services for children of students, faculty, staff and community members. CCYC has two locations: one is housed in the church-chapel building and shares space with College Mennonite Church. The other is located in the Arbor Ridge housing development on the north side of Goshen. The Arbor Ridge facility offers bi-lingual Spanish-English and summer programming. The campus location follows the Goshen College academic calendar.

Information Technology Services

ITS provides a high quality technology environment – and one that is constantly evolving and improving. Our iPad one-to-one program is one of the first in the world to be tied to our undergraduate general education program. The campus has a modern 802.11n WiFi infrastructure in all residential and academic buildings and a full 1 Gb of Internet2 bandwidth for research and collaboration from the classroom or lab. Students have access to modern computer labs across campus with a student/computer ration of 7.6/

1. Mac Minis in the labs use both Windows 7 and Mac OS X operating systems. Most classrooms have multimedia and computer projection capabilities. Students have access to a full complement of network services, all accessible via a single, personal user ID and password. Student email and calendars synch to mobile devices. Students also have access to multiple GB (more upon request) of personal network storage accessible from any computer on campus. Students can copy and print using their GC ID and supplied print credit. They also have access to color and large format printing if needed. The ITS Help Desk provides students on and off campus with tech support. Schertz Computing Center is open 24 hours, seven days a week. A current Goshen College ID card is required for entrance from 5:00 p.m.-8:00 a.m. Monday-Friday and also on weekends. ITS also provides all the help and documentation students need to configure their computers for home access. For more information about technology at GC, see the ITS Web page at www.goshen.edu/its/.

Lecture series

- **Eric Yake Kenagy Visiting Artist Program** annually brings a distinguished visual artist to campus for lectures, workshops and interaction with students.
- **Martin Luther King Jr. All-Campus Study Day** annually brings to campus outstanding civil-rights leaders who share King's vision for peace and justice.
- **Science and Religion Conference** brings an outstanding scholar to campus each spring for public presentations and dialogue.
- **C. Henry Smith Peace Lecture** is given annually on a peace-related theme by a faculty member of a Bluffton College or Goshen College.
- **Umble Master Class** series brings an outstanding educator or practitioner in theater or communication to campus each year for lectures and workshops.
- **S.A. Yoder Memorial Lecture** annually brings a distinguished poet, novelist, essayist or humorist to campus.
- **Frank and Betty Jo Yoder Public Affairs Lecture Series** brings nationally known speakers to campus to address a variety of current issues.

Library

As a research and information center, the Harold and Wilma Good Library connects the campus to ideas and information in a variety of formats. In addition to over 130,000 print sources, the library maintains a video/DVD collection and serves as the gateway to extensive online resources, including scholarly databases, digital journals and electronic books. Collection strengths include peace studies, theology, curriculum materials, and the early American hymnody. Librarians are available for one-on-one assistance throughout much of the day and evening and also offer group instruction. A Web catalog indexes the collections of the Good Library, the Mennonite Historical Library, and 20 other Indiana college libraries. Interlibrary loans provide access to print materials in most North American libraries. Library facilities include a computer lab/classroom, vending and lounge areas, plenty of study space, a reservable meeting room, listening/viewing stations, offices of the Academic Resource and Writing Center, and a gallery featuring historical and cultural exhibits.

Mennonite Historical Library

The Mennonite Historical Library, housed on the third floor of the Good Library, contains more than 65,000 volumes, an unrivaled collection of published works by and about Anabaptists, Mennonites and related groups (Amish, Hutterites, etc). Resources also include substantial source materials on the Protestant Reformation, local and family history and Pennsylvania Dutch culture.

Mail services and Lost & Found

U.S. Postal Service mail is delivered daily to academic departments. Package services and the campus lost and found department are located in the printing and mailing

services office in the basement of Coffman Hall. Stamps are available from the cashier in the Accounting office, AD 05.

Motor vehicles and bicycles

Students must register all motor vehicles to be used on campus at the beginning of each year during registration check in or anytime at the physical plant office. Vehicles must be covered by liability and property damage insurance. Auto registration is available both online and through the physical plant. Tickets are issued for parking, driving or registration violations. Goshen city ordinance requires that all bicycles used on campus must be registered, which can be done at the physical plant.

Broadcasting and publications

Radio and television

WGCS, or 91.1 The Globe, is the award-winning college radio station. Students serve as station manager and staff members. The station features American roots music, public affairs and religious programs, news and sports. On the air 24 hours a day, The Globe offers students many opportunities for broadcast experience. Students working with GC-TV produce a weekly video magazine called "The Correspondent" distributed via the campus cable system. Both The Globe and GC-TV use state-of-the art digital equipment.

Print publications

Students edit two major publications on campus. *The Record*, a weekly newspaper, includes news, features, perspectives and photographic coverage of campus events and issues and provides a forum for student, faculty and staff opinion. An annual yearbook, *The Maple Leaf*, is also produced by communication and art students. In addition, the English department sponsors Pinch Penny Press, which publishes manuscripts written by students and faculty members, *Broadside* poetry publications, and the *Red Cents* literary magazine.

Admission

The directors of the graduate programs work individually with each applicant to ensure sound educational planning. College transcripts, references and personal essays are all indicators of an individual's ability to work successfully in college programs; they are important factors in the admission decision.

Academic Calendar

Each graduate program publishes its own term calendar.

Drop/add period

Students may drop or add courses without notation on the transcript, until the second course meeting for weekly courses and up to one week for courses that meet daily.

Withdrawal from courses

After the drop/add deadline, dropping a course is permitted until 2/3 through the course or term. A "W" will be entered on the permanent record. Withdrawals after the 2/3 date will not be permitted.

Late graduation fee

The Goshen College Graduate School requires that a fee be paid if a student does not fulfill the requirements for graduation during the final semester of her or his cohort and must complete that coursework in a subsequent semester (or term). For instance, if a student was scheduled to complete the degree at the end of a semester/term, and is granted an incomplete grade ("I") in one or more courses, and then completes work in a subsequent semester/term to graduate, a fee must be paid equivalent to one semester credit hour. This requirement includes "incomplete" grades in regular courses as well as practicum, clinical, research, thesis and/or project courses wherein time and duties are required by faculty members to administer or supervise the student.

Financial information

Financial aid

Purpose and philosophy

The financial aid program at Goshen College is designed to assist students in financing a Goshen education and to supplement, not replace, family resources for college.

Financial aid packaging

All financial aid awards are determined by the student financial aid office. Students applying for financial aid are considered for all aid for which they are eligible. Financial aid is normally provided in a "financial aid package"-- a combination of institutional, state, federal and private loans, employment and gifts. Goshen College attempts to provide a financial aid package adequate to meet the needs of each student who applies.

Types of financial aid available

- Federal Loans – Maximum Federal Direct loan is \$20,500 a year.
- Endowed and restricted scholarships - In 2012-13, the aid office administered over 150 endowed and restricted scholarship funds and awarded over \$1 million to undergraduate and graduate students from these sources. Simply by applying for financial aid, the student will automatically be considered for endowed and restricted scholarships, using criteria specified by each donor. Over 75 percent of these scholarships are need-based. Many are designated for a specific major or professional goal; some are based on other criteria such as geography, descendency, etc.

Procedures for applying for financial aid

Early and orderly planning is important for receiving financial assistance.

1. Apply for admission; a student must be admitted to the college before a financial aid offer can be made.
2. Annually complete the Goshen College financial aid application form before March 1.
3. Submit a Free Application for Federal Student Aid (FAFSA) by March. The FAFSA may be obtained online at www.fafsa.ed.gov. Students should specify 001799 as the code number for Goshen College in the appropriate section of the FAFSA.
4. Investigate other sources of financial aid: church, community service clubs, industry or vocational rehabilitation.
5. The student financial aid office will begin awarding incoming students in early March. Upon receiving a financial aid package, the student should review the award and respond to the guidelines stated in the financial aid letter.
6. Continuing students must reapply for financial aid each academic year. Aid usually continues at substantially the same level each year unless the family's resources or the student's status change. All enrolled students receiving aid automatically receive information about applying for renewal awards. Award letters will be sent beginning in early April.

2013-14 Tuition and fees

Please refer to program websites for each individual graduate program for information about tuition and fees.

Standard payment plans

- **Plan #1 - Payment in full.**
Any payment not received by the due date is subject to the \$50 late payment penalty. For more information on payment methods, including online payments, visit www.goshen.edu/accounting.
- **Plan #2 - Monthly Payment Plan.**
Contracts may be arranged with our outside agency for a low-cost monthly payment program to extend throughout the year. The cost of the annual plan is \$45. There are no interest charges. Contact the accounting office for information, or visit www.goshen.edu/accounting for information.

To avoid a \$50 late payment fee, enroll in one of the payment plans by the final payment due date. Students may not go through final check-in until payment requirements are met under one of these plans.

Tuition, fees, expenses and payment due dates can be found on links from the accounting office web page (www.goshen.edu/accounting) or from this expense sheet brochure. This information along with the financial aid information received in the Financial Aid award letter can be used to determine payment requirements. Student account information, including estimated billings, can be found on GC Online. Please use this information to plan adequately and meet payment requirements.

Note: Delinquent accounts may be referred to a collection agency at any time after the account is 120 days past due. Collection costs on referred accounts are charged to the student and added to the balance due.

Finance charges

Interest of 12 percent annually (1 percent per month) will be levied against charges unpaid 30 days after statements are issued. Delinquent accounts may be sent to a collection agency. The student is responsible for all collection costs.

Refund policies and procedures

The following tuition refund procedures apply to students who withdraw or are dismissed from the institution, change status from full time to part time, or reduce hours as a part-time student.

Voluntary withdrawal process

Students who withdraw completely from the college initiate the process by contacting their academic adviser and graduate program director.

Pro-rated refund policies

From the day of registration through the first week of classes (drop/add period), the student will receive a 100 percent refund on tuition. The refund percentage for the rest of the semester follows the federal regulations for refunding financial aid. From the eighth day of the semester, the refund percentage is calculated by counting the number of days left in the semester, divided by the total number of days in the semester. As in the federal formula, weekends and breaks are also counted except for scheduled breaks of at least five consecutive days. There is no refund after the last day to withdraw with a "W" which is when 60 percent of the semester is completed. A day-by-day refund schedule is posted in the accounting office and at http://www.goshen.edu/financialaid/cf_refundpolicy.php

Academic Policies

Graduation requirements

Please see respective graduate program websites and handbooks for graduation requirements.

Grading and evaluation

A minimum grade of B- is required for course credit to be applied to a graduate program.

A Excellent

A 4.0 quality points

A- 3.7 quality points

B Very Good

B+ 3.3 quality points

B 3.0 quality points

B- 2.7 quality points

C Satisfactory

C+ 2.3 quality points

C 2.0 quality points

C- 1.7 quality points

D Unsatisfactory, but passing

D+ 1.3 quality points

D 1.0 quality points

Incomplete grades

A grade of "I" (incomplete) may be given at the instructor's discretion for medical emergencies or circumstances beyond the student's control. Students must be earning a passing grade at the time of the request for an I grade. It is to be given rarely and not to accommodate the student who, through carelessness or poor planning, does not complete course work in the given time. The student will work with the instructor to establish a plan for completion of the course.

The new grade is used to compute the grade point average, but the "I" remains on the student's permanent record.

Evaluations rather than letter grades

The objectives of certain courses can best be met by special grading conditions. The academic dean can approve such courses, and they will be so marked on the official semester course offerings. Some courses have continuing approval to be offered in such a manner, e.g., student teaching and field-experience courses. Evaluations submitted for such courses become part of the permanent academic record, available with transcripts.

Grade reporting

An examination period is scheduled at the close of each course. Grade reports are available online to the student within one week of the close of each semester.

Grade point average

A cumulative grade point average (GPA) for standard-system courses is posted on the student's record at the end of each semester. Only courses completed at Goshen College are factored into the cumulative grade point average. The quality points listed above are used to calculate a student's grade point average.

Official transcripts

Official transcripts of a student's academic record will be released upon written authorization of the student. To assure that the student has complete control over this confidential information, all requests by other individuals will be refused. Positive identification in the form of student number or birthdate should accompany the signed

request. Goshen College has partnered with Docufiled by Parchment to provide a secure, electronic way to request and send transcripts. Transcripts can be sent in either electronic or hardcopy format. The fee is \$6 per copy. A transcript will be issued only if all financial obligations have been settled with Goshen College.

Academic integrity policies

Goshen College expects all students and faculty members to practice academic integrity. Honesty, trust, fairness, respect and responsibility are essential building blocks in creating a vital learning community. They are also the foundation for lifelong integrity. Academic dishonesty at Goshen College is considered a serious breach of the “Goshen College Commitment to Community Standards.” Academic dishonesty is any act that misrepresents academic work or interferes with the academic work of others. It includes:

- Plagiarism (giving the impression that another person’s work is your own)
- Cheating on assignments or exams
- Falsification of data
- Submission of the same (or substantially the same) paper in more than one course without the prior consent of all instructors concerned
- Depriving others of necessary academic sources
- Sabotaging another student’s work

Consequences of academic dishonesty are based upon the severity of the offense, course expectations and other variables. Consequences for individual offenses may range from re-doing the assignment to dismissal from the college. Associate dean Tom Meyers administers academic integrity violation and grievance processes.

Privacy rights of students

In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), post-secondary students enrolled at Goshen College are hereby notified of their rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the college receives a request for access. Students should submit to the registrar, vice president for student life or other appropriate official, written requests that identify the record(s) they wish to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading. Students may ask the college to amend a record that they believe is inaccurate or misleading. They should write to the college official responsible for the record, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to prohibit disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic, research or support staff position (including security personnel); a person or company with whom the college has contracted (such as an attorney, auditor or collection agent); a person serving on the board of directors; or a student serving on an official

committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Goshen College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Ave., SW, Washington, DC 20202-4605. FERPA further provides that certain information concerning the student, designated as "directory information," may be released by the College unless the student has informed the college that such information should not be released. "Directory information" includes:
 - Name
 - Permanent address
 - Local address*
 - Telephone number*
 - E-mail address*
 - ID photo*
 - Verification of birthdate supplied by inquirer
 - Dates of attendance
 - Full- or part-time status
 - Date of graduation and degree received
 - Major field(s) of study
 - Classification
 - Participation in officially recognized activities and sports
 - Height and weight of athlete

*Local address, campus phone number, email address and student ID photo are available on Goshen College's Web site, but only to people using a computer connected to Goshen College's on-campus network (physically connected to the network or remotely connected with a valid Goshen College username and password.) Goshen College does not provide student e-mail lists to public or private entities.

Any student who desires that any or all of the above listed information not be released may contact the registrar's office or complete the form found at <http://www.goshen.edu/registrar/privacy>. Questions about this policy may be directed to Stan Miller, registrar, or Bill Born, vice president for student life.

Withdrawal and refund policy for reservists called to active duty

Any student called to active duty may withdraw from courses up until the last day of the term. If the withdrawal comes during the first 2/3 of the term, normal withdrawal and refund policies take effect. If departure comes after the 2/3 point, the student has the option of withdrawal "W" or incomplete "I". Options should be discussed with and approved by the course instructor(s). If course withdrawal "W" is pursued, tuition and fees will be refunded on a pro-rated basis. The official date of withdrawal will be used to calculate the refund. Students receiving financial aid will be subject to refund policies as provided for by the agencies sponsoring the aid. Reservists called to active duty who wish to withdraw from courses must provide the Registrar with a copy of their orders.

Please see respective graduate program handbooks for additional academic policies and procedures.

Program descriptions

Master of Science in Nursing

Professor B. Srof, Department chair

Professor R. Stoltzfus, Director of the graduate program in nursing

Associate Professors C. Davis, S. Wenger, L. Wheeler, C. Wood

Introduction

The master of science in nursing program is designed for the registered nurse who is a graduate of a baccalaureate program in nursing. Courses meet once per week during late afternoon and evening hours. The program is built on a venerable tradition of excellence in nursing education at the undergraduate level. A distinctive feature of the program is an emphasis on nursing care in a culturally diverse society. We give heed to providing care that values understanding the stories of patients, including those who are marginalized in our society.

The graduate nursing program offers one track of study: Family Nurse Practitioner. Upon graduation, students are eligible to sit for the certification exam through the American Association of Nurse Practitioners. See <http://www.goshen.edu/nursing/masters/> for more information.

Admission information

Admission requirements include the following: GPA of at least 3.0 on a 4.0 scale for the last degree earned (or equivalent), curriculum vitae, bachelor's degree in nursing from a school accredited by the Commission on Collegiate Nursing Education or by the National League for Nursing Accrediting Commission, an active RN license, three letters of reference that attest to academic and professional achievements, an essay, at least one year of clinical experience, TOEFL minimum of 650 (if applicant's first language is not English). A statistics class (either undergraduate or graduate level) with a grade of C or higher from an accredited institution is required prior to enrollment. The nursing department reserves the right to adjust the current admission criteria when outcome assessment data demonstrate the need for such changes.

A maximum of 12 credit hours of comparable graduate level coursework from an accredited college or university may be transferred, with the consent of the academic adviser. Comparable is defined as courses that fulfill the requirements for the program to which the student will be enrolled. Courses considered for transfer must have a grade of B (not B-) or higher.

Career opportunities

The family nurse practitioner is a provider of direct health care services. Within this role, the family nurse practitioner synthesizes theoretical, scientific, and contemporary clinical knowledge for the assessment and management of both health and illness states.

Clinical information

Family nurse practitioner students are required to complete a total of 672 clock hours of clinical work with a preceptor.

Master of science in nursing, Family Nurse Practitioner

48 credit hours

Core curriculum (27 credit hours)

- Nurs 500, Foundations for Leadership 3

Program descriptions : Master of Science in Nursing

- Nurs 510, Healthcare Ethics 2
- Nurs 520, Advanced Pathophysiology 3
- Nurs 522, Pharmacology for Advanced Nursing 3
- Nurs 524, Advanced Health Assessment 3
- Nurs 602, Theoretical & Conceptual Foundations 3
- Nurs 604, Community Health Nursing 3
- Nurs 606-607, Research I & II 5
- Nurs 608, Transition to Practice 2

Family nurse practitioner courses (21 credit hours)

- Nurs 540, Health and Illness in Pediatrics 3
- Nurs 541, Pediatrics Clinical/Seminar I 3
- Nurs 542, Health and Illness in Women 3
- Nurs 543, Women's Health Clinical/Seminar 3
- Nurs 544, Health and Illness in Adults 3
- Nurs 545, Adult Health Clinical/Seminar I 3
- Nurs 547, Adult Health Clinical/Seminar II 3

Planning and advising notes

Programs follow a cohort model, with students taking all courses together. The FNP track requires six semesters and three summers of study.

Graduate nursing courses

NURS 500 Foundations for Leadership 3

Examines the theoretical principles and norms for practice for advanced practice nursing and advanced nursing practice. Content includes scope of practice, taking on the role of leader within the identified role, standards & competencies, public policy, legal issues, therapeutic use of self, and cultural competence.

NURS 510 Healthcare Ethics 2

The student is provided with frameworks for ethical decision-making based on theory and opportunities for the development of reflective moral thinking. The student learns to utilize critical thinking as a basis for ethical reasoning. The dynamics of the healthcare professionals' roles are studied in view of pertinent ethical dilemmas. The student is challenged to examine personal and professional values in the context of growing health care disparities impacting the local and world community.

NURS 520 Advanced Pathophysiology 3

Understanding of normal system-focused advanced physiology is applied to pathologic disease process to form a firm foundation for clinical assessment, decision making and clinical management. Includes in-depth study of cell structure and function as a foundation to understanding physiologic as well as pathophysiologic process. An in-depth examination of normal disease process including analysis of common disease, incidence, etiology, manifestation, and prognosis is included. Throughout the course, emphasis is placed on the student's ability to analyze and discuss changes in the normal physiologic function that occurs with the disease process.

NURS 522 Pharmacology for Advanced Nursing 3

Advanced pharmacology for nurses is the focus of this course. Therapeutic agents are compared and contrasted for therapeutic affects, adverse affects, indications for use, and drug interactions. This course provides students with a pharmacological basis for advanced practice as a nurse practitioner working with clients across the life span. This course meets Indiana State Board of Nursing's requirements for application for prescriptive authority.

NURS 524 Advanced Health Assessment 3

Builds on basic assessment skills. Attention is placed on the development of advanced assessment skills, collection of the data and documentation of the findings. The in-depth assessment is performed within the context of the family. Pre or coreqs: Nurs 520 & 522

- NURS 540 Health & Illness in Pediatrics 3**
 The focus of this course is on the primary care of infants, children and adolescents for the advanced practice nurse. For each developmental stage, the course examines health promotion, disease prevention, psychosocial issues, sexuality and treatment of select common diseases and problems. Prerequisites: Nurs 500, 520, 522, 524.
- NURS 541 Pediatrics Clinical/Seminar 3**
 Advanced clinical practice is the focus of the course. The student applies, synthesizes and evaluates content from nursing theory and sciences in the clinical practice setting. The course requires extensive clinical experience with an approved preceptor. Students develop case presentations from their experiences for discussion in on-campus and on-line forum clinical seminar formats. Students may work with patients from across the life span, but the focus of the clinical is pediatric health. Prerequisites: Nurs 500, 520, 522, 524. Corequisite or prerequisite: Nurs 540.
- NURS 542 Health & Illness in Women 3**
 The focus of this course is primary care of women throughout the lifespan. Women's health will be examined in light of available evidence-based research. The organizing framework of the course is the developmental stages of women from adolescence to older adulthood. For each developmental stage, the course examines health promotion and disease prevention, psychosocial issues, sexuality, and treatment of select diseases. Prerequisites: Nurs 500, 520, 522, 524.
- NURS 543 Women's Health Clinical/Seminar 3**
 Advanced clinical practice is the focus of the course. The student applies, synthesizes and evaluates content from nursing theory and sciences in the clinical practice setting. The course requires extensive clinical experience with an approved preceptor. Students develop case presentations from their experiences for discussion in on-campus and on-line forum clinical seminar formats. Students may work with patients from across the life span, but the focus of the clinical is women's health. Prerequisites: Nurs 500, 520, 522, 524. Corequisite or prerequisite: Nurs 542.
- NURS 544 Health & Illness in Adults 3**
 The focus of this course is primary care for adults from early adulthood to the aging adult. Students build on their existing skills in interviewing and assessment while developing medical decision making in the diagnosis of common adult health problems. The course focuses on the normal components of the well adult and preventative care, as well as nursing and medical diagnosis for common health problems, including discussion about the management of adults with chronic health problems. Prerequisites: Nurs 500, 520, 522, 524.
- NURS 545 Adult Health Clinical/Seminar I 3**
 Advanced clinical practice is the focus of the course. The student applies, synthesizes and evaluates content from nursing theory and sciences in the clinical practice setting. The course requires extensive clinical experience with an approved preceptor. Students develop case presentations from their experiences for discussion in on-campus and on-line forum clinical seminar formats. Students may work with patients from across the life span, but the focus of the clinical is adult health. Prerequisites: Nurs 500, 520, 522, 524. Corequisite or prerequisite: Nurs 544.
- NURS 547 Adult Health Clinical/Sem II 3 (2-4)**
 Advanced clinical practice is the focus of the course. The student applies, synthesizes and evaluates content from nursing theory and sciences in the clinical practice setting. The course requires extensive clinical experience with an approved preceptor. Students develop case presentations from their experiences for discussion in on-campus and on-line forum clinical seminar formats. Students may work with patients from across the life span, but the focus of the clinical is adult health. Prerequisites: Nurs 500, 520, 522, 524. Corequisite or prerequisite: Nurs 544.

- NURS 602 Theoretical & Conceptual Foundation** 3
Theories from nursing, family studies, and related disciplines are examined, critiqued, evaluated, and applied to practice. Attention will be given to the transformational potential of theoretical frameworks within the context of a comprehensive, holistic approach to health care.
- NURS 604 Community Health Nursing** 3
The focus of this course is health in the community. Content germane to this course includes a process of community assessment, program planning, implementation and evaluation. Knowledge of basic epidemiology, communicable disease surveillance, survey data and cultural assessment contribute to a thorough knowledge of the community. Attention will be given to issues of social justice for vulnerable populations.
- NURS 606 Research I** 3
Prepares practitioners for utilization of knowledge to provide high quality health care, initiate change, and improve nursing practice. The focus is the understanding of scientific inquiry, knowledge generation, utilization and dissemination in nursing and healthcare. Scholarly literature review, ethical considerations and research critique are emphasized.
- NURS 607 Research II** 2
The research practicum provides opportunity for application of research knowledge to the development of an evidence-based practice project.
- NURS 608 Transition to Practice** 2
Focus is on transition to practice. Issues include the professional role, legal issues, practice regulation, preparation for certification exam, negotiating practice agreements, financing healthcare, fiscal stewardship and management.

Master of Arts in Environmental Education

Professor D. Ostergren, Director of the graduate program in environmental education
Professor L. Gascho, Executive Director of Merry Lea Environmental Learning Center
Associate Professor L. Zinn
Assistant Professors B. Minter, J. Schramm
Instructor P. Steury

Introduction

The master of arts in environmental education program is based at Merry Lea Environmental Learning Center of Goshen College and is housed in the Sustainability and Environmental Education Department (SEED). A distinctive aspect of this 11 month program is an immersion in natural history, conducting ecological field research using scientific methods and various media to record observations. Students also engage with environmental education programs at Merry Lea for grades K-12. The degree has four major components: core courses, a project, a portfolio, and an extensive practicum. Students integrate ecological learning with developing pedagogical skills. Additional practical concepts includes land management, environmental policy, leadership and administration. See <http://www.goshen.edu/merrylea/graduate/> for more details.

Admission information

Requirements for admission include an essay, a resume, three letters of recommendation and official transcripts for all undergraduate and graduate coursework. A limited number of scholarships is available for environmental education graduate students, tied to the Merry Lea mission and goals.

Admission requirements for international students

Language requirements

An official TOEFEL or IELTS score report is required for international applicants whose native language is not English. For the TOEFL, a score of at least 100 on the internet-based or 600 on the paper-based test is required. For the IELTS, a minimum score of 6.5 is required. Copies and faxes are not accepted as official documents; we must receive test scores directly from the testing service.

Transcript Evaluation

Applicants who complete post-secondary education abroad are required to submit non-U.S. transcripts to Educational Credential Evaluators, Inc. (ECE) or (for nursing applicants) the Commission on Graduates of Foreign Nursing Schools. The evaluation report must show that non-U.S. education is equivalent to a U.S. bachelor's degree to be considered for admission.

Educational Credential Evaluators, Inc. (ECE)

www.ece.org

414-289-3400

Commission on Graduates of Foreign Nursing Schools (CGFNS)

www.cgfns.org

Career opportunities

Graduates work as environmental educators in diverse settings such as nature centers, outdoor education programs, camps, parks and recreation programs, state and federal agencies, public and private K-12 schools, post-secondary education, and independent environmental organizations.

Master of arts in environmental education

33 credit hours

Term I: July-October

- EnEd 510, Natural History of the Southern Great Lakes..... 3
- EnEd 515, Research Methods and Measurements..... 3
- EnEd 520, Principles of Environmental Education 3
- EnEd 560, Creative Project and Paper 1
- EnEd 580, Practicum in Environmental Education 1

Term II: November-February

- EnEd 525, Environmental Issues & History 3
- EnEd 530, Leadership and Administration for EE 3
- EnEd 550, Creation Care, Peace & Justice 1
- EnEd 560, Creative Project and Paper 2
- EnEd 580, Practicum in Environmental Education 2

Term III: March-June

- EnEd 535, Land Management for EE 3
- EnEd 560, Creative Project and Paper 3
- EnEd 570, Professional Portfolio..... 2
- EnEd 580, Practicum in Environmental Education 3

Environmental education courses

ENED 510 Natural History of So. Great Lakes 3

A study of the plants and animals of this region - and the ecosystems in which they are found. Emphasis on the 1) the interrelationships in ecosystems 2) the function of ecosystems, both how they operate and how they impact surrounding systems and humans, and 3) identity of the organisms that comprise the ecological community. Students will investigate the ecological relationships of the organisms identified as well as behaviors and life cycles.

ENED 515 Research Methods and Measurements 3

A laboratory class designed to give students an overview of designing, implementing, and reporting a scientific study, including the use of environmental monitoring equipment to collect data and the basic statistics needed to analyze them. The class will address both ecological and educational research. Students will investigate the different ecosystems in the area using standard ecological data collection methods. Students will also learn standard methods for evaluating learning in environmental educational programs.

ENED 520 Principles of Environmental Educ 3

A study of distinctive concepts and skills needed for delivering quality environmental education programs. The following themes-within the context of natural history-will be part of the course: field-based and experiential education, inquiry, questioning, interpretation, physical settings, responsive instruction, program design, assessment and evaluation, and learner outcomes.

ENED 525 Environmental Issues & History 3

A study of current environmental issues facing society. Topics include ethics, citizenry, environmental justice, theological implications, and organizations addressing issues. The various facets of the history of environmental education and outdoor education will be reviewed. A study of important literature relevant to all topics will be included.

ENED 530 Leadership & Admin for Env Educ 3

This is a survey course on the essential skills and practices in leadership and administration of non-profit organizations. Topics include personnel management, strategic planning, personality styles, financial and resource management, budget

preparation, board utilization, fundraising and capital campaign, day-to-day functioning of a nature center, and team development.

ENED 535 Land Management for Env Education 3

This is a study of both the theory and practice of managing the "place" for various ecological functions and human values that enhance an environmental education experience. Includes how land management practices need to reflect the economic/ social/spiritual values of humans, and the biological functions of the ecosystems it encompasses.

ENED 550 Creation Care, Peace & Justice 1

Environmental quality and care for creation are emerging as important components to faith, peace and justice across the globe. Creation care builds on spiritual and theological foundations that inspire us to care for God's creation. Environmental justice is the equitable distribution of costs and benefits from utilizing resources to all people regardless of class, generation, ethnic origin or gender. This seminar is a survey course of these topics.

ENED 560 Creative Project and Paper 3 (1-3)

The project paper will be based on one of the following themes: a) environmental issue investigation b) ecological data based investigation, or c) pedagogical data based investigation. Project statement, literature review, critical investigation, application, conclusion, and professional formatting will all be expected. Students will develop age-appropriate instructional materials based on the project themes. Repeated for a total of 6 credit hours.

ENED 570 Professional Portfolio 2 (1-2)

Portfolio expectations will be assigned to students during each of the three semesters. These will include ecological observations, photography, and nature writing. Students will participate in six topical seminars, which will be offered throughout the year, and write a response paper to each seminar. (Nature Photography, Writing in Nature, Exploration of Faith and Spirituality, Sustainability, Wilderness First Responder, and Public Presentation Skills)

ENED 580 Practicum in Environmental Educ 3 (1-3)

Being part of the delivery of Merry Lea's K-12 onsite and outreach programs in environmental education will fulfill the practicum in three major programming time blocks, giving students experience in multiple programs. Student will also have opportunities in specialty programs, such as summer camps and public programs. Assessment of student performance will occur after each of the three programming time blocks and as part of the final evaluation. Repeated for a total of 6 credit hours.

Master of Arts in Intercultural Leadership

R. Peterson-Veatch, Associate Vice President for Academic Affairs, Director of Graduate and Continuing Programs, Co-director of Intercultural Leadership program

R. Hernandez, Associate Dean for Intercultural Development and Educational Partnerships, Co-Director of Intercultural Leadership program

Introduction

The master of arts degree program in Intercultural Leadership is a natural extension of the college's longstanding expertise in the area of intercultural and international education. The curriculum is designed to meet the demand for leaders with the knowledge, skills and capacity to lead increasingly diverse organizations, and is geared for mid-career working professionals, including business managers, educators, health-care professionals and non-profit leaders. The 18-month program consists of three 6-day residential sessions on campus (in January, July and January) as well as online coursework.

Courses are taught by experts and the hybrid delivery model is specifically designed to support students in addressing real problems in real settings in their own workplace or organization. Costs and financial aid have working professionals in mind and application materials are available online.

See <http://www.goshen.edu/intercultural/> for more details.

Career opportunities

The MAIL program is structured to help students acquire knowledge, skills and dispositions that will support their development as leaders in today's increasingly diverse worlds of business, government, non-profit organizations and education.

Graduates of our program will increase their **knowledge** of:

- Concepts of Intercultural Communication
- Concepts and Theories of Leadership
- Concepts and Theories of Adult Learning
- Concepts and Theories of Action Science
- Concepts of Social Justice
- Concepts of Anti-Oppression

Graduates of our program will increase their **skills** in:

- Writing clear and effective prose
- Finding and evaluating scholarly sources
- Developing original arguments
- Planning and implementing Action Research
- Designing Strategic Planning and Implementation
- Developing Networks of Support

Graduates of our program will foster **dispositions** to promote:

- Collaborative Leadership
- Personal growth in oneself and others
- Approaching problems as a learner
- Demonstrating integrity
- Preserving and advocating for human rights
- Partnering with communities

Admission information

Requirements for admission include GRE scores, an essay, a resume, three letters of recommendation and official transcripts for all undergraduate and graduate coursework.

Master of arts in intercultural leadership

36 credit hours

The educational model for this program includes six sessions, alternating between "residency" sessions and "online" sessions. Residency sessions are six-day sessions (a five-day work week and one weekend day either before or after) with five weeks of online follow-up. The "online" sessions in between the "residency" sessions are seven weeks, during which you take two courses.

SESSION I: Residency - 7 credit hours

6-day residency with 5 weeks online follow-up

IIE 500 Orientation and Technology Workshop
IIE 505 Self-Development for Intercultural Leadership
IIE 510 Leadership in Intercultural Organizations

SESSION II: Online - 6 credit hours

7 weeks online

IIE 520 Action Research and Program Evaluation
IIE 622 Methods and Techniques of Positive Social Change

SESSION III: Residency - 7 credit hours

6-day residency with 5 weeks online follow-up

IIE 525 Capstone Project Development
IIE 624 Foundations of Social Justice

SESSION IV: Online - 6 credit hours

7 weeks online

IIE 690 Capstone Project: Theoretical Frameworks and Data Collection
IIE 626 Strategic Human Resources Planning

SESSION V: Residency - 6 credit hours

6-day residency with 5 weeks online follow-up

IIE 691 Capstone Project: Findings, Conclusions and Peer Review

SESSION VI: Online - 4 credit hours

7 weeks online

IIE 692 Capstone Project: Defense and Presentation
IIE 628 Community Development and Social Action

Intercultural leadership courses

IIE 500 Program Orientation & Tech Training 1

This course provides a basic orientation to the program and training on the multiple technological environments of the program including the Course Management System, Web Videoconferencing, use of online library resources and other important aspects. Co-requisites: IIE 505 and IIE 510.

IIE 505 Self-Develop for Intercult Leaders 3

Leadership development, in general, begins with self-awareness and the ability to articulate an answer to the question: "Who am I and how do others perceive me?" Students should be considering that question as a primary concern in empowering others. This course helps students to define their own leadership style from cognitive, behavioral, and emotional perspectives. Students will integrate conceptual knowledge of reflective practice and self-awareness in the context of ethical action, social justice, and an entrepreneurial approach to leadership. In this course students engage and develop philosophical and conceptual perspectives on action and action research, intercultural communication and social justice. The central aim of this course is to provide students

Program descriptions : Master of Arts in Intercultural Leadership

with frameworks for taking a partnering stance to community and organizational development. Co-requisites: IIE 500 and IIE 510.

IIE 510 Ldrship Intercultural Organizations 3

This course blends an intellectual exploration of organizational development, organizational behavior and intercultural communication theories with a focus on acquiring and developing skills in project management. Students will learn to how to develop networks both within and between organizations that support social justice and ethical action. Co-requisites: IIE 500 and IIE 505.

IIE 520 Action Research and Program Eval 3

This course provides an overview of action research theory and methods and describes how action research can be used for the purpose of assessing community needs and program effectiveness. The steps for conceptualizing, designing, implementing, and analyzing an action research project will be examined. Particular attention will be given to the study of these elements within the context of organizations. As a result special attention will be given to the study of key concepts essential to the design & implementation of program evaluation efforts. Prerequisites IIE 505 and 510.

IIE 525 Capstone Project Development 4

This course will focus on assisting students in developing an appropriate research design for each student's capstone project. Building on the knowledge acquired in the research and program evaluation methods course, students will develop the initial design for their capstone project. As part of this process, students will identify the main research questions, choose the design and articulate its appropriateness to the inquiry at hand, discuss the assets and limitations of the design, human subjects and other ethical concerns, and proposed methods for data collection and analysis. Prerequisite: IIE 520.

IIE 622 Meth&Tech of Positive Social Change 3

Introduces students to the theories, principles and techniques of sustainable social change, positive change theory and positive organizational scholarship. Students will build practical competencies necessary to carry out various positive change interventions based on theories and techniques of organization development and change management. Prerequisites: IIE 500, 505, and 510

IIE 624 Foundations of Social Justice 3

This course provides a framework for students to explore philosophical, theoretical, spiritual, and personal foundations of Social Justice. Students will engage with diverse texts and perspectives from a variety of cultural and spiritual traditions in order to develop a critical perspective that stretches beyond the surface of challenging social issues. Prerequisites: IIE 500, 505, and 510.

IIE 626 Strategic Human Resources Planning 3

In the increasingly diverse environment of the 21st century, human resources have become key inimitable resources for change and innovation. Unfortunately, few organizations successfully include HR in strategic planning. This course will introduce HR's role in strategy development and implementation. Topics include aligning HR with organizational values and management strategy, creating high performance work systems, implementing HR planning, and managing HR in contexts such as non-profit organizations, community service groups, and community development. Prerequisites: IIE 500, 505, and 510.

IIE 628 Community Development & Soc Action 3

Provides basic knowledge and skills in community outreach, education, and social mobilization for self-help and advocacy in community based organizations. This course focuses on the professional roles of leaders in community based groups including the role of founder, developer, manager, and other supervisory roles in which development activities are required in order to support social action and social change. Prerequisites: IIE 500, 505, and 510.

- IIE 690 Capstone Project:Theory and Data 3**
Building on the foundation established in the Core Courses, this course will provide an overview of the processes of literature review and data collection. Students will complete an extensive written review of pertinent literature, articulate their theoretical framework, and collect data for their final capstone project. Prerequisites: IIE 505, IIE 510 and IIE 525
- IIE 691 Capstone Proj:Conclusions&Peer Rev 6**
This course provides an overview of the process, layout, and content of the final written version of the Capstone Project. Students will gather during the third residency of their program and engage in intensive writing and peer review sessions during eight days of that residency followed by 5 weeks online. The goal of this course is to provide a rigorous writing environment that supports students in completing their experiential projects. Prerequisite: IIE 690
- IIE 692 Capstone Project:Defense & Present 1**
This course will serve as the culmination of the Capstone Project and will provide students with an overview of the process of converting project documents into a presentation for a community audience. The course will take place during the final session of the student's program, and will include a defense of their project that their adviser will oversee. As the final exercise in this course, students will deliver a public presentation on their work. Prerequisite: IIE 691
