Merry Lea is hosting its 4th annual Women’s Spirituality Retreat. On Friday evening, Jackie Wyse Rhodes will speak on the theme of biblical women in the wilderness. Looking at the figures of Miriam, Hagar and more, she will reflect on what sustained these women of faith on their journeys through the wilderness, and where we too can find God in the dry and desert places. A night hike will follow. On Saturday, Kate Lichti and Janie Beck Kreider will guide the group in a morning of contemplative prayer and reflection framed by the stories and sayings of the Desert Mothers, a group of remarkable Christian ascetics who lived in the deserts of Egypt in the 4th and 5th centuries. We hope you can join us!
