Join in the fun!

The Indiana Children and Nature Network (ICAN) is encouraging organizations to offer activities around the state June 11-19 that will help foster the connection of children, families, and communities with the natural world. On June 14th, Merry Lea will be offering a variety of facilitated and self-guided activities geared towards children and families. Possible activities to choose from may include nature crafts, wild edibles hikes, dipping for macroinvertebrates and amphibians in a vernal pond, loose parts play, scavenger hunts, fire building, and ending the day with a “bring your own roastables” campfire supper.
