

Biology Coffee Hour

Coffee/tea,
announcements,
& dialogue

10-10:50 a.m.
Science Building, Room 106

Several times each month all students majoring and/or minoring in a program in the Biological Sciences Department (BSD) are welcome to attend the BSD Coffee Hour. This is a time for coffee/tea, announcements, and dialogue in order to support you in exploring a career in Biology. Coffee will be provided!

Friday, Sept. 8

Welcome back & Fall Schedule

Come learn about the semester's activities in the biology department — including an overview of Coffee Hours and Science speakers, how to get involved in research, and your friends' summer accomplishments.

**Friday, Sept. 15 –
Saturday, Sept. 16**

Merry Lea

Camping trip at Merry Lea!

All students are welcome to travel to Merry Lea on Friday night for a campfire meal, games, and a night hike. Ecology & Evolution students will be camping overnight and doing some field investigations on Saturday, returning to campus by 3:00 p.m. Upperclassmen are welcome to camp and return Sat. morning to campus (provide your own tent). RSVP required to Ryan Sensenig.

Saturday, Oct. 7

1-2:30 p.m. | NC 17

Homecoming Celebration - Marine Biology at Goshen College

Come join alumni, community members, and current students as we discuss the opportunities (past and present) in marine biology education at GC.

Friday, Nov. 17

Fall Internship Presentation Extravaganza

Biology students who completed internships during the summer of 2017 will present their experiences. Come get ideas for planning your own career-altering internship.

Friday, Dec. 1

End of Semester Celebration

This event will be reserved for an end of the semester celebration. More details to come...

Fall 2017

Biology Speaker Series

4-5 p.m.
Science Building, Room 106

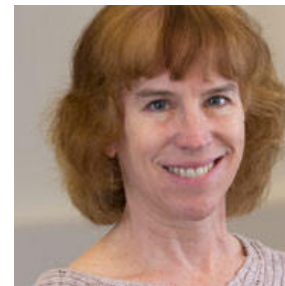

Free and open to the public

Each semester the Biology Department hosts a mini-series of Science Speaker events to highlight interesting research related to various disciplines in Biology.

Friday, Sept. 8

Celebrate Science!

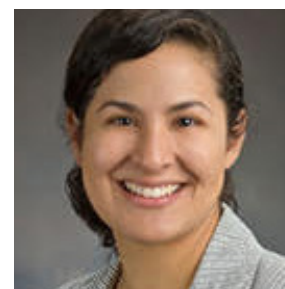

Departments will be honoring the accomplishments of their students. Come learn about student research, Research Experience for Undergraduates (REU's), and summer internship accomplishments.

Friday, Oct. 27
