

# Biology Speaker Series

## Fall 2015

4 - 5 p.m.

*Science Building,  
Room 106*

Each semester the Biology Department hosts a mini-series of Science Speaker events to connect our students to professionals in the field. **All events are free and open to the public.**

**Wednesday, Sept. 30**

*From vascular biology to cardiopulmonary disease and cancer: A couple's (e)map of translational medicine*

**Dr. Roderich Schwarz, MD, Ph.D., FACS**

*Medical Director of Indiana University Health Goshen Center for Cancer Care*

**Dr. Margaret Schwarz**

*Professor of Pediatrics, Indiana University School of Medicine - South Bend*

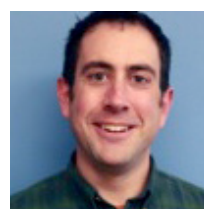

**Wednesday, Oct. 28**

*The lean farm: How to minimize waste, increase efficiency, and maximize value and profits with less work*

**Ben Hartman '01**

*Co-owner, Clay Bottom Farm Goshen, Indiana*

**Wednesday, Nov. 18**

*"When I grow up, I want to be a flatworm histologist," and other things no one has ever said (but maybe should)*

**Dr. John Brubacher**

*Assistant Professor of Biology, Canadian Mennonite University*

**Wednesday, Sept. 16**

*The power of the worm: Translating C. elegans genetics into targeted cancer therapy*

**Dr. Jamie K. Alan**

*College of Medicine  
Central Michigan University*

**Friday, Oct. 9**

*Social relationships, health and fitness in the wild*

**Dr. Beth Archie**

*Clare Boothe Luce Assistant Professor of Biology, University of Notre Dame*
