Please provide any additional comments about the information provided above:

Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

Additional guidance on reporting race and ethnicity data.

Section I.d Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2012-13.

| | |
|---|-----|
| Average number of clock hours of supervised clinical experience required prior to student teaching | 145 |
| Average number of clock hours required for student teaching | 480 |
| Average number of clock hours required for mentoring/induction support | 0 |
| Number of full-time equivalent faculty supervising clinical experience during this academic year | 2 |
| Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff) | 17 |
| Number of students in supervised clinical experience during this academic year | 8 |

Please provide any additional information about or descriptions of the supervised clinical experiences:

Candidates in the GC Education Program have clinical experiences in nearly every course beginning in the Foundations of Education course. The 10 hours of mentoring occurs in a tutoring capacity in Educational Psychology

Section I.e Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2012-13. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

Provide the total number of teacher preparation program completers in each of the following academic years:

2012-13: 5

2011-12: 6

2010-11: 8

Section II Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at <http://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2012-13

Did your program prepare teachers in mathematics in 2012-13?

Yes

How many prospective teachers did your program plan to add in mathematics in 2012-13?

0

Did your program meet the goal for prospective teachers set in mathematics in 2012-13?

Description of strategies used to achieve goal, if applicable:

Because this is a TtT program, we are never sure what candidates will come in per content area. Our TtT program is quite small and therefore, any preparation of teachers in mathematics meets our goal.

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:**Provide any additional comments, exceptions and explanations below:****Academic year 2013-14****Is your program preparing teachers in mathematics in 2013-14?**

No

How many prospective teachers did your program plan to add in mathematics in 2013-14?**Provide any additional comments, exceptions and explanations below:**

This alternative program is designed to provide an alternative path to licensure for individuals who have a baccalaureate degree; however, we do, when possible, encourage candidates to consider shortage areas, if they would be eligible for a license in that area.

Academic year 2014-15**Will your program prepare teachers in mathematics in 2014-15?**

No

1

Did your program meet the goal for prospective teachers set in science in 2012-13?

Yes

Description of strategies used to achieve goal, if applicable:

Since this is a TtT alternative route program, there is never any certainty what content areas will be represented. In the 2012-13 year, 1 biology major completed this programming; therefore, exceeding the goal.

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:**Provide any additional comments, exceptions and explanations below:****Academic year 2013-14****Is your program preparing teachers in science in 2013-14?**

Yes

- **use technology effectively to analyze data to improve teaching and learning**
Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Goshen College has created technology standards based on the standards provided by ISTE: International Society for Technology in Education, as well as the Indiana Department of Education Teacher Standards. All standards have been aligned to one another and to specific courses to ensure integration into the Goshen College

evidence that candidates have successfully met technology standards and are capable of utilizing technology effectively in the classroom.

The program prepares candidates to integrate technology effectively into curriculum and instruction and to collect, manage, and analyze data in order to improve teaching and learning to increase student achievement. The Goshen College Teacher Education program requires comprehensive projects across methods courses and clinical practice wherein candidates collect data, analyze, and make instructional decisions regarding student data.

Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

- **teach students with disabilities effectively**
Yes
- **participate as a member of individualized education program teams**
Yes
- **teach students who are limited English proficient effectively**
Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Goshen College general education candidates receive training on instructing students with disabilities and those with limited English proficiency in numerous ways. Cultural diversity is infused throughout the Goshen College general education program for teacher educators. In specific courses (e.g., Adaptation and Assessment, Educational Psychology, and Exceptional Learners) general education pre-service teachers practice IEP development, modify instruction and accommodate for diverse populations. Multi-disciplinary members (e.g., speech pathologists, occupational therapists, autism consultants) serve as guest speakers and students observe and interview special education instructors in field placements. Literacy courses include EL content as a specific area of study. Furthermore, methods courses require candidates to differentiate instruction for all populations and candidates practice such instruction in diverse field placements.

Does your program prepare special education teachers to:

- **teach students with disabilities effectively**
NA
- **participate as a member of individualized education program teams**
NA
- **teach students who are limited English proficient effectively**
NA

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient.
