COVID-19 Protocols

At Goshen College, safety has been our number one priority during this global pandemic. We are committed to creating an atmosphere where we can relax and enjoy our time together!

The following precautions are being observed in response to COVID-19:

- All off-campus event attendees will be required to wear face masks while indoors on campus.
- Hand sanitizing stations will be provided throughout buildings.
- We ask that all guests follow recommendations from the CDC and do not attend if you have a fever, cough or respiratory symptoms, or have recently been in contact with someone who was sick.
- We will continue to monitor the pandemic, and make adjustments on safety protocols based on local health guidelines, transmission and vaccination rates.
