Payment Information

Payment due dates – Traditional Academic Calendar (Undergraduate & Graduate)

Fall Term:	August 12, 2023 <i>(estimated bill available through MyGC in early July)</i>
Spring Term:	December 15, 2023 <i>(estimated bill available mid-November)</i>
May Term, Adult/Graduate Summer classes, and Summer SST: . . .	April 12, 2024 <i>(estimated bill available mid-March)</i>
Summer Session — Undergraduate:	June 7, 2024 <i>(estimated bill available end of April)</i>

Goshen College no longer mails out paper copies of statements or bills. Students will be notified by email when an estimated bill is ready, and will be expected to log in to MyGC to retrieve their bill. Real-time account information and monthly statements are available on MyGC under 'My Account Balances'. The student is responsible to authorize MyGC access (or provide updated account information) to any person(s) making payments on their account.

Option #1 Payment in full. Payments received after the due date are subject to finance charges and a late payment fee. For more information on payment methods, including online and foreign currency payments, visit goshen.edu/accounting-office.

Option #2 Nelnet Payment Plan (\$30 enrollment fee / 0% interest). Contracts may be arranged with Nelnet for a monthly payment plan to cover each semester. The enrollment fee for each semester-based plan is \$30. There are no interest charges if the contract covers the entire balance due. For additional information, please contact the Accounting Office or visit MyCollegePaymentPlan.com/Goshen.

To avoid monthly finance charges, make full payment of any balance due or enroll in a payment plan before the due dates listed above. Full payment also confirms your course registration and guarantees your seat in class. It is recommended that all applications for financial aid be submitted at least two weeks prior to the payment due date. **A \$205 late payment fee will be added to delinquent accounts 60 days after each semester due date.**

Interest of 12% annually (1% per month) will be charged against unpaid balances beginning 30 days after the drop/add period ends. Delinquent accounts will be sent to a collection agency at the college's discretion at any time after the account is deemed past due. All collection costs assessed by the collection agency are the responsibility of the student and are added to the balance due.

Note: All amounts listed on statements and estimated bills are in U.S. dollars.

Financial Suspension

All Goshen College students are required to keep current on their accounts, regardless of class, program, or degree. Accounts must be paid in full or have a payment plan in place to cover the entire cost of the semester by the due date. Administrative, clerical or technical billing errors do not absolve the student of their financial responsibility to pay the correct amount of tuition, fees and other associated financial obligations assessed as a result of their registration at Goshen College. Full financial responsibilities are spelled out in the Goshen College Financial Responsibility Agreement. Students with past due balances from current or previous semesters will be removed from future class rosters immediately after the end of mid-term break, unless a special waiver is granted by the Accounting Office. Appeals to financial suspension may be made to the vice president for finance.

Refund Policies

The following tuition refund procedures apply to students who withdraw or are dismissed from the institution, change status from full-time to part-time or reduce hours as a part-time student. Students with a posted credit balance may request a refund through MyGC. No refund is issued while there is an incomplete payment plan. Room refund rates apply to students who withdraw, are dismissed, or change from resident to commuter status. Meal plans are not refundable.

Refund procedures for traditional undergraduate students:

Voluntary withdrawal: Students wishing to withdraw completely from the college initiate the process by contacting the director of orientation, transition & retention (AD12). The director will direct the withdrawal process including official notification to the academic advisor, registrar, resident director (if residence-hall student), Accounting Office and Financial Aid Office. Students who only reduce their hours of enrollment must contact their academic advisor and the registrar.

Involuntary withdrawal: The registrar's office establishes the last date of attendance for students who stop attending classes and do not follow withdrawal procedures. The registrar's office contacts professors, the student's advisor and residence life personnel to document the last date of attendance.

Final settlement of financial aspects of the withdrawal process can take several weeks. A weekly tuition refund schedule is posted at goshen.edu/financialaid/refund. The refund percentage for the semester follows the federal regulations for refunding financial aid. There is no refund after the last day to withdraw with a "W" which is when 60% of the semester is completed.

Room refund rates, following day 1, are prorated daily until the last date to withdraw with a "W." No refunds are given after the "W" date.

Refund rates for students enrolled in the May term only are the same as those listed above, but the 100% refund rate applies only to days 1 and 2 (drop/add period).

A financial aid recipient will have earned aid according to the formula listed above. Exceptions are during the 100% refund period, where no aid is earned since no costs are incurred. The full formula for determining the amount of Title IV federal aid that is earned, and how unearned portions are returned to the federal programs is outlined in CFR 668.22. Institutional aid earned is calculated according to the same procedures, with the exception that any credit left on the student's account after the refund listed above will first pay back any current year loan owed to Goshen College.

Withdrawal and refund policy for reservists called to active duty:

Any student called to active duty may withdraw from courses up until the last day of the semester. If the withdrawal comes during the first nine weeks of the semester, normal withdrawal and refund policies take effect. If departure comes after the ninth week, the student has the option of withdrawal "W" or incomplete "I." Options should be discussed with and approved by the course instructor(s). If course withdrawal "W" is pursued, tuition and fees will be refunded on a prorated basis. The official date of withdrawal will be used to calculate the refund. Students receiving financial aid will be subject to refund policies as provided for by the agencies sponsoring the aid. Reservists called to active duty who wish to withdraw from courses must provide the registrar with a copy of their orders.

Refund procedures for graduate and continuing studies students:

Students seeking a degree in graduate studies or adult education who drop from courses will receive a refund based on weeks completed in the respective course at the time the student has notified the Dean's Office that they are withdrawing. A student will be charged again for any course that is retaken. Specific refund information may be found at goshen.edu/financialaid/refund.

Financial aid refunds may be available after financial aid processing is completed and enrollment status can be confirmed. Students enrolled in various sessions within a semester may receive refunds in installments after attendance in a registered course has been confirmed. Title IV Federal Aid recipients who drop below half-time enrollment or withdraw completely from Goshen College may not be entitled to a loan disbursement or a refund of loan funds. If a Federal Direct Loan recipient drops below half-time enrollment during the expense period covered by the loan, ALL remaining disbursements will be cancelled for that expense period.
