Preliminary charges are calculated and added to student accounts approximately a month before the semester due date. When bills are ready, we will email students to let them know it is ready. **It is the student's responsibility to go online to MyGC (my.goshen.edu) to retrieve their bill. Parents, click here for information on retrieving statements and bills if you have been given parent access.**

Questions about scholarships, grants, and loans should be addressed to the [Financial Aid Office](#). Accounts must be paid in full or have a payment plan in place to cover the entire cost of the term by the due date. *Please feel free to contact the Accounting Office with any questions you have on your charges.*
