Plan #2: Nelnet Payment Plan (0% interest):

Contracts may be arranged with Nelnet for a low-cost monthly payment program to extend throughout the year. The cost of the annual plan is $45. There are no interest charges. For additional information, please contact the accounting office or visit [www.goshen.edu/accounting](http://www.goshen.edu/accounting).

In special situations, an individualized payment plan can be arranged directly with the college for a $100 fee. Outstanding balances after 30 days are subject to 12% annual interest charges. To avoid a $75 late payment fee, enroll in one of the payment plans by the final payment due date. Your payment confirms your course registration. In order to guarantee your seat in class, full payment of any balances due must be completed by the due dates listed above. All applications for Financial Aid must be submitted two weeks prior to the payment due date.

Only one paper copy of the semester tuition bill will be mailed to the student’s home address. Additional updates on charges for changes in course registration, meals and housing will be available for viewing on MyGC under student account information. The student is responsible to provide updated account information to any person(s) making payments on the student’s account.

Tuition, fees, expenses and payment due dates can be found on links from the accounting office web page ([www.goshen.edu/accounting](http://www.goshen.edu/accounting)) or from this expense sheet brochure. This information along with the financial aid information received in the Financial Aid award letter can be used to determine payment requirements. Student account information, including estimated billings, can be found on MyGC. Please use this information to plan adequately and meet payment requirements for the 2014-15 year.

Note: Interest of 12% annually (1% per month) will be levied against charges unpaid 30 days after statements are issues. At our discretion delinquent accounts will be sent to a collection agency any time after the account is past due. All collection costs assessed by the collection agency are the responsibility of the student and added to the balance due.

Refund Policy

The following tuition refund procedures apply to students who withdraw or are dismissed from the institution, change status from full time to part time, or reduce hours as a part-time student. Room and board refund rates apply to students who withdraw, are dismissed, or change from resident to commuter status.

Refund procedures

Voluntary withdrawal: Students who withdraw completely from the college initiate the process by contacting Student Life (AD14). The associate dean of students will direct the withdrawal process including official notification of the academic adviser, registrar, resident director (if residence-hall student), food service contract, accounting office and student financial aid office. Students who only reduce their hours of enrollment must contact their academic adviser and the registrar.

Involuntary withdrawal: The registrar’s office establishes the last date of attendance for students who stop attending classes and do not follow withdrawal procedures. The registrar’s office contacts professors, the student's adviser and residence life personnel to document the last date of attendance.

Final settlement of financial aspects of the withdrawal process can take several weeks. A day-by-day refund schedule is posted in the accounting office and at www.goshen.edu/financialaid/refund. The refund percentage for the semester follows the federal regulations for refunding financial aid. There is no refund after the last day to withdraw with a "W" which is when 60 percent of the semester is completed.

Room and board refund rates, following day 1, are prorated daily until the last date to withdraw with a "W." No refunds are given after the “W” date.

Refund rates for students enrolled in the May term only are the same as those listed above, but the 100-percent refund rate applies only to days 1 and 2 (drop/add period).

A student financial aid recipient will have earned aid according to the formula listed above. Exceptions are during the 100 percent refund period, where no aid is earned since no costs are incurred. The full formula for determining the amount of Title IV federal aid that is earned, and how unearned portions are returned to the federal programs is outlined in CFR 668.22. Institutional aid earned is calculated according to the same procedures, with the exception that any credit left on the student’s account after the refund listed above will first pay back any current year loan owed to Goshen College.

Withdrawal and refund policy for reservists called to active duty

Any student called to active duty may withdraw from courses up until the last day of the semester. If the withdrawal comes during the first nine weeks of the semester, normal withdrawal and refund policies take effect. If departure comes after the ninth week, the student has the option of withdrawal “W” or incomplete “I”. Options should be discussed with and approved by the course instructor(s). If course withdrawal “W” is pursued, tuition and fees will be refunded on a prorated basis. The official date of withdrawal will be used to calculate the refund. Students receiving financial aid will be subject to refund policies as provided for by the agencies sponsoring the aid. Reservists called to active duty who wish to withdraw from courses must provide the Registrar with a copy of their orders.
