

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called Verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at Goshen College will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact us as soon as possible so your financial aid will not be delayed.

Tax Forms

1. TAX RETURN FILERS—Important Note: If the student and/or spouse filed or will file, an amended 2019 IRS tax return, file(d) separate IRS income tax returns, or had a change in the marital status after the end of the 2019 tax year on December 31, 2019, contact the Financial Aid Office before completing this section.

Instructions: Complete this section if the student and spouse filed or will file a 2019 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2019 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

Student/Spouse

	I have used the IRS DRT in <i>FAFSA on the Web</i> to transfer 2019 IRS income tax return information into the student's FAFSA. <i>Goshen College will use the IRS information transferred into the FAFSA to complete the verification process.</i>
	I have not yet the IRS DRT in <i>FAFSA on the Web</i> , but will use the tool to transfer 2019 IRS income tax return information into the student's FAFSA once the 2019 IRS income tax return has been filed <i>See instructions above for information on how to use the IRS DRT. The Financial Aid Office cannot complete verification until the student/spouse has transferred IRS information into the FAFSA.</i>
	I am unable or choose not to use the IRS DRT, and will submit to Goshen College a copy of 2019 IRS Tax Return Transcript(s) —not photocopies of the income tax return. <i>To obtain a 2019 IRS Tax Return Transcript, go to www.IRS.gov and click on the "Order a Return or Account Transcript" link. Make sure to request the "IRS Tax Return Transcript" and not the "IRS Tax Account Transcript." Use the Social Security Number (or the IRS individual taxpayer identification number) and the date of birth of the first person listed on the 2019 IRS income tax return, and the address on file with the IRS (normally this will be the address used on the 2019 IRS income tax return).</i>

Check here if an IRS Tax Return Transcript(s) is attached to this worksheet. (Goshen College recommends the IRS DRT for faster and more accurate results)

Check here if an IRS Tax Return Transcript(s) will be submitted to the Financial Aid Office at a later date. Verification cannot be completed until the IRS Tax Return Transcript(s) has been received by Goshen College.

2. TAX RETURN NONFILERS - Check the box for those people who did not and are not required to file a 2019 Federal Income Tax Return, and list your employer(s) and any income received in 2019 below. Attach copies of all 2019 W-2 forms.
