*Mennonite Educators Benefit Plan – Anabaptist Mennonite Biblical Seminary, Goshen College, Mennonite Education Agency, Inc.*

Medical benefits under this plan are provided through the Highmark Blue Cross Blue Shield Preferred Provider Organization (PPO) Program. It is your responsibility to make sure that a health care provider is a network provider before medical treatment is received. The health care provider that you select can assist with this information.

1. Plan payments for services received from an out-of-network provider are based on the allowable charge for the type of care, service, or treatment received. If the provider’s charges are more than the allowable charge, you will be responsible for paying the difference. Any of these extra amounts you have to pay will not count toward your plan-year deductible and coinsurance requirements or the total annual out-of-pocket maximum.

2. Precertification required. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, the patient will be responsible for payment of any costs not covered.

3. The schedule of covered preventive services is outlined in Highmark’s Preventive Schedule and Women’s Health Preventive Schedule, which are updated periodically based on changes in clinical practice guidelines.
