

Make life a little simpler

Member tools help you
find a provider and
schedule an exam

Easily find a provider near you

As an EyeMed member, you'll get access to the provider locator at eyemed.com. Just enter your ZIP code, and you'll automatically receive a list of nearby provider locations – including their address and proximity, phone number and store hours. You can even filter search results by your desired frame brands and the services you need. Many providers even offer online scheduling!

Get the scoop through our free mobile app
