

Welcome!

Welcome to the 118th commencement ceremony of Goshen College. We are delighted that you have joined us this weekend to celebrate the lives and accomplishments of our 2016 graduating class. Commencement signals both endings and beginnings in the lives of our graduates. We trust you will find opportunity to share cherished experiences, to greet friends and faculty, and to hear dreams of exciting possibilities yet to come.

On behalf of the Goshen College faculty and staff, we extend our heartfelt congratulations to all students, parents and families for a journey well traveled. We are profoundly conscious of the hard work and strong dedication to college education that brought you to this important moment in your life and the life of the college. The door of welcome will always be open to each of you as we look forward to an ongoing relationship with past and future Goshen alumni and friends.

May God bless each one of you with grace and courage for the life that lies ahead. May all your dreams and service begin, continue and end in God's best intentions for you. May you always experience the abiding joy and deep meaning of a life sustained by the Christ-centered core values that uphold and guide Goshen College: passionate learning, global citizenship, compassionate peacemaking and servant leadership.

Above all, may you be divine instruments of peace – serving the world through your work and witness.

President James E. Brenneman

Carrie Newcomer '80, *Commencement Speaker*

Carrie Newcomer '80 (carrienewcomer.com) is an Indiana-based singer, songwriter and author. With 15 solo albums, Newcomer has attracted a devoted following with her warm voice, exquisite melodies, and an irreverent yet spiritual view of the world. She has been described as a “prairie mystic” by the Boston Globe, and Rolling Stone described her as “rapturously tuneful, Newcomer’s material asks all the right questions and refuses to settle for easy answers.”

Born in Dowagiac, Michigan, and raised in Elkhart, Indiana, she discovered Quakerism during her Goshen College Study-Service Term in Costa Rica. Her involvement in social justice, charitable activities and collaborations with other authors and artists significantly influences her music, which cuts across secular and spiritual boundaries. Dedicated to non-violent conflict resolution through the arts, she has taken her music to places such as India, Kenya and the Middle East as a cultural ambassador.

Newcomer lives in Southern Indiana with her husband, Robert, and their two dogs.

Goshen College, Ever Singing

Almost 80 years ago, inspired by the college motto of “Culture for Service,” a former GC home economics professor Edith M. Witmer wrote the text for “Teach Me Thy Truth.” Walter E. Yoder, who taught music from 1933-64, composed the music, which Witmer hoped would always be sung with a “buoyant, lilting quality.” Witmer later reported that the service of so many alumni was part of the grace granted her to accept the physical limitations that prevented fulfillment of her own dream of international service.

Goshen College’s beloved Alma Mater was written in 1911, based on a poem by Menno Ezra Miller of Kalona, Iowa, an alumnus of GC’s high school level academy in 1908-09. The head of the School of Music at the time, John D. Brunk, set it to music. As Becky Horst writes in *Goshen College: A Pictorial History, 1894-1994*, “It is probably the only college song anywhere to be written with a 5/4 time signature, although the chorus returns to a more familiar 4/4 pattern.”

The Academic Procession

The history of academic dress reaches back into the earliest days of the oldest universities. The costumes and colors, trimmings and patterns you will see are all traditional and interpret both the degree and field of learning. The bachelor's gown has pointed sleeves; the master's gown has an oblong sleeve. The doctor's gown has bell-shaped sleeves decorated with chevrons of velvet.

The hoods, differing in length for the three degrees, are lined with the official colors of the university or college conferring the degree. Hoods are edged and bound with velvet of the color appropriate for the degree.

The colors you will see in the hoods and gowns of Goshen College faculty represent the various fields in which the degrees were taken:

apricot – nursing
brown – fine arts
citron – social work
crimson – journalism
dark blue – philosophy
yellow – science
green – medicine
lemon yellow – library science
blue – education
pink – music
purple – law
sage green – physical education
salmon pink – public health
scarlet – theology
brown – business
white – arts and humanities
orange – engineering

Graduates are wearing caps and gowns made from natural wood sources exclusively from renewable management forests. They will break down in the soil in a year or less.

The Lamp and the Book

Goshen College is a place of light and of enlightenment. The college seal incorporates the official motto, a lamp and a book. In 1904, “Culture for Service” was made the motto of Goshen College after the term was used by the college’s first president, Noah E. Byers, in his 1903 inaugural address. The book symbolizes the importance of the written word, especially holy Scripture. The lighted lamp represents the light of learning that, in a world of darkness, pushes back the darkness.

The actual lamp and book used to be passed from the graduating senior class to the junior class in a ceremony. Now, graduates sign the book after receiving their degrees in a tradition that links generations of alumni in the spirit of “Culture for Service” and extends the light of learning to future students.

Graduation Pledge

Many graduates are wearing a green ribbon today signifying that they have signed a pledge that reads, “I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects of any organizations for which I work.” This pledge is being taken on over 100 campuses across the country this spring and encourages graduates to be intentional and responsible about their employment.

Official Photographs and Live Streaming

Arrangements have been made with GradImages™ to take pictures of each graduate. Color proofs of these photos are made available to graduates within 72 hours of commencement. Details have been given to the graduates and are available at the table in the RFC lobby.

Video of the commencement ceremony is being live-streamed online for those unable to be in attendance. It can be accessed at goshen.edu/graduation.

The Class of 2016

The following list of degree candidates includes all members of the 2016 graduating class whether participating in the exercises or being graduated in absentia. Some December 2016 graduates have chosen to participate in these exercises. Inclusion in this publication may not be construed as documentation of completion of degree requirements. Certification of the conferral of a degree is by receipt of a diploma or official transcript noting degree completion.

Degrees

Goshen College confers four graduate degrees: the Master of Arts in Environmental Education, the Master of Arts in Intercultural Leadership, the Master of Business Administration and the Master of Science in Nursing. The Master of Business Administration program is in collaboration with Bluffton University, Canadian Mennonite University and Eastern Mennonite University. All graduates of the Collaborative MBA are listed in each school's commencement program.

Two baccalaureate degrees are conferred. Those with majors in nursing, organizational leadership, business administration or the accelerated social work program receive the Bachelor of Science degree. All others receive the Bachelor of Arts degree.

Following each name is the field of study being completed by the student. Use of the diagonal (/) indicates that the two fields are a double major program with two equal areas of concentration. Areas in which a minor will be completed are indicated by *italics*. Secondary Education certification is listed in parentheses. Interdisciplinary concentrations are listed after the colon.

Graduation Honors

Graduation honors are awarded to undergraduate students who have earned a cumulative GPA of 3.6 or above with no grade lower than a "C" at Goshen College. Students in the traditional baccalaureate degree program must have completed a minimum of 48 graded hours at Goshen College. Students in accelerated and degree completion programs must have completed at least 40 graded hours at Goshen College. Honors are reflective of grade point averages as of December 2015 and are subject to change with the addition of grades in later terms. The specific honor is indicated with an asterisk after the name.

*** *Summa Cum Laude*: 3.90-4.00 GPA (with highest honor)

** *Magna Cum Laude*: 3.80-3.89 GPA (with great honor)

* *Cum Laude*: 3.60-3.79 GPA (with honor)

About Goshen College

Goshen College is an affordable, nationally-ranked Christian liberal arts college in Northern Indiana known for leadership in intercultural and international education, sustainability and social justice. The college offers bachelor's degrees in more than 65 areas of study, as well as select master's degrees. Goshen enrolls approximately 850 students from 32 states and 25 countries and is recognized for its innovative, life-changing study abroad program (Study-Service Term) and exceptional educational value. The 135-acre tree-filled campus features a world-class Music Center and a Rec-Fitness Center for 13 intercollegiate athletic teams. The extended campus includes a 1,189-acre natural sanctuary (the Merry Lea Environmental Learning Center near Wolf Lake, Ind.) and a marine biology lab in the Florida Keys. Rooted in the historically peaceful Mennonite church and established in 1894, the college's Christ-centered mission produces passionate learners, compassionate peacemakers, global citizens and servant leaders. The college's doors are open to all, with students from 40 different Christian denominations and several world religions. Experiential learning, faculty mentors and strong friendships are significant community strengths for students.
