

# Welcome!

Welcome to the 120<sup>th</sup> commencement ceremony of Goshen College. We are delighted that you have joined us this weekend to celebrate the lives and accomplishments of our 2018 graduating class. Commencement signals both endings and beginnings in the lives of our graduates. We trust you will find opportunity to share cherished experiences, to greet friends and faculty, and to hear dreams of exciting possibilities yet to come.

On behalf of the Goshen College faculty and staff, we extend our heartfelt congratulations to all students, parents and families for a journey well traveled. We are profoundly conscious of the hard work and strong dedication to college education that brought you to this important moment in your life and the life of the college. The door of welcome will always be open to each of you as we look forward to an ongoing relationship with past and future Goshen alumni and friends.

May God bless each one of you with grace and courage for the life that lies ahead. May all your dreams and service begin, continue and end in God's best intentions for you. May you always experience the abiding joy and deep meaning of a life sustained by the Christ-centered core values that uphold and guide this great institution: passionate learning, global citizenship, compassionate peacemaking and servant leadership.

Above all, may you be divine instruments of peace — serving the world through your work and witness.

With gratitude,

President Dr. Rebecca J. Stoltzfus

## Litany: *Surrounded by a Great Cloud of Witnesses*

*written by Achieng Agutu, class of 2018*

**Celebrant:** We are gathered together, surrounded by this great cloud of witnesses to celebrate the accomplishments of members of our community.

**People:** We give you thanks, O Lord,  
*Tè damos gracias, oh Señor,*

**Celebrant:** For those who have served so faithfully on this campus and who have been such a part of this community. For those who have willingly given of their efforts to lead, to encourage, to innovate and to inspire.

**People:** We give you thanks, O Lord,  
*Tè damos gracias, oh Señor,*

**Celebrant:** For the ways in which we have been able to care for one another, support one another in this journey of life, pray for one another, and give strength to one another;

**People:** We give you thanks, O Lord,  
*Tè damos gracias, oh Señor,*

**Celebrant:** For the triumphs we've celebrated together, the comfort we have shared through times of trial, and answers to prayer that we have experienced;  
For faithfully and vibrantly hearing your Word, singing your praise and seeking the Lord's strength,

**People:** We give you thanks, O Lord,  
*Tè damos gracias, oh Señor,*

**Celebrant:** Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us. (*Hebrews 12:1*)

**People:** We are your cloud of witnesses  
*Somos tu nube de testigos*

**Celebrant:** For a commitment to remain true to serving the world  
For generosity that has enabled us to reach far beyond this community.

**People:** We give you thanks, O Lord,  
*Tè damos gracias, oh Señor,*

**Celebrant:** For the Goshen College Senior class of 2018!  
For hearts so warm, for conversations so good, for souls so passionate, for futures so bright

**People:** We give you thanks, O Lord,  
*Tè damos gracias, oh Señor,*

**Celebrant:** For strength in arms and backs,  
For the will to work in your name  
And for creative minds

**People:** We give you thanks, O Lord,  
*Tè damos gracias, oh Señor,*

**Celebrant:** For the ones who love us vibrantly, care for us unconditionally and support us without fail.

**People:** We are your cloud of witnesses,  
*Somos tu nube de testigos*

**Celebrant:** And as we disband into the world, wherever we may be, may opportunity thrive, worship continue, passion for life and adventure flourish, Love be made tangible in the paths that we choose. May goodness and justice prevail in the dark corners of our lives and of this earth and may the spirit inspire our hearts and our souls to make something beautiful out of our wild dreams as we serve in other parts of the Lord's kingdom.

**People:** We give you thanks, O Lord,  
*Tè damos gracias, oh Señor*  
Amen

# **Dr. Kenneth R. Rutherford, *Commencement Speaker***

**Dr. Kenneth R. Rutherford** is the director of the Center for International Stabilization and Recovery (CISR) and professor of political science at James Madison University (JMU) in Harrisonburg, Virginia.

On December 16, 1993, while working for the International Rescue Committee in Somalia, Rutherford's vehicle struck a landmine, injuring him severely. One leg was amputated to save his life and the second one amputated several years later. This experience set him on a path of advocacy for landmine survivors and landmine removal.

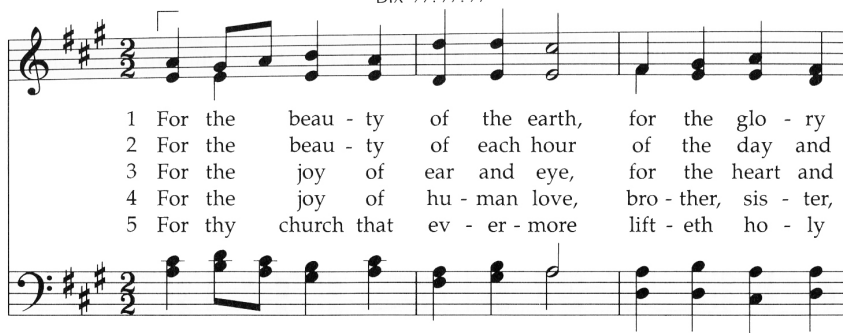

Rutherford co-founded Landmine Survivors Network in 1995, which later became Survivor Corps. He accompanied Princess Diana on her last humanitarian mission to visit landmine survivors in Bosnia-Herzegovina in August 1997, only three weeks before her death. He was a prominent leader in the International Campaign to Ban Landmines, resulting in the 1997 Mine Ban Treaty, which won the 1997 Nobel Peace Prize.

Rutherford is the author or co-editor of five books, has testified before Congress and the United Nations, and also published more than 40 articles in numerous academic and policy journals. He has delivered presentations on landmines and conventional weapons destruction in more than 36 countries. He is also the recipient of numerous international awards, including the Leadership in International Rehabilitation Award by Northwestern University (1998), Survivor's Award by the Marshal Legacy Institute (1999) and United Nations Association-USA humanitarian award by Sir Paul McCartney (2002). In 2013, Rutherford was included among the "100 most influential people in armed violence reduction" by the London-based organization Action on Armed Violence.

Previously, Rutherford served on the political science faculty at Missouri State University (MSU). Prior to this, he served as a humanitarian worker in Kenya, Mauritania, Senegal and Somalia. He holds a Ph.D. from Georgetown University, and bachelor's and MBA degrees from the University of Colorado.

# Joyful, joyful, we adore thee

HYMN TO JOY 87. 87D

The musical score is written for a four-part choir (Soprano, Alto, Tenor, Bass) in G major (one sharp) and 2/2 time. It consists of six systems of music, each with a vocal line and a piano accompaniment line. The lyrics are printed below the vocal lines. The score begins with a key signature of one sharp (F#) and a time signature of 2/2. The melody is simple and hymn-like, with a steady rhythm. The piano accompaniment provides a harmonic foundation with chords and moving lines. The lyrics are in English and describe the joy and glory of God.

1 Joy - ful, joy - ful, we a - dore thee, God of glo - ry, Lord of love.  
2 All thy works with joy sur-round thee, earth and heav'n re - flect thy rays,

# Alma Mater

Goshen College's beloved Alma Mater was written in 1911, based on a poem by Menno Ezra Miller of Kalona, Iowa, an alumnus of GC's high school level academy in 1908-09. The head of the School of Music at the time, John D. Brunk, set it to music. As Becky Horst writes in *Goshen College: A Pictorial History, 1894-1994*, "It is probably the only college song anywhere to be written with a 5/4 time signature, although the chorus returns to a more familiar 4/4 pattern."

# The Academic Procession

The history of academic dress reaches back into the earliest days of the oldest universities. The costumes and colors, trimmings and patterns you will see are all traditional and interpret both the degree and field of learning. The bachelor's gown has pointed sleeves; the master's gown has an oblong sleeve. The doctor's gown has bell-shaped sleeves decorated with chevrons of velvet.

The hoods, differing in length for the three degrees, are lined with the official colors of the university or college conferring the degree. Hoods are edged and bound with velvet of the color appropriate for the degree.

The colors you will see in the hoods and gowns of Goshen College faculty represent the various fields in which the degrees were taken:

- arts and humanities – *white*
- business – *brown*
- education – *blue*
- engineering – *orange*
- fine arts – *brown*
- journalism – *crimson*
- law – *purple*
- library science – *lemon yellow*
- medicine – *green*
- music – *pink*
- nursing – *apricot*
- philosophy – *dark blue*
- physical education – *sage green*
- public and environmental affairs – *turquoise*
- public health – *salmon pink*
- science – *yellow*
- social work – *citron*
- theology – *scarlet*

---

Graduates are wearing caps and gowns made from natural wood sources exclusively from renewable management forests. They will break down in the soil in a year or less.

# The Lamp and the Book

Goshen College is a place of light and of enlightenment. The college seal incorporates the official motto, a lamp and a book. In 1904, “Culture for Service” was made the motto of Goshen College after the term was used by the college’s first president, Noah E. Byers, in his 1903 inaugural address. The book symbolizes the importance of the written word, especially holy Scripture. The lighted lamp represents the light of learning that, in a world of darkness, pushes back the darkness.

The actual lamp and book used to be passed from the graduating senior class to the junior class in a ceremony. Now, graduates sign the book after receiving their degrees in a tradition that links generations of alumni in the spirit of “Culture for Service” and extends the light of learning to future students.

## Graduation Pledge

Many graduates are wearing a green ribbon today signifying that they have signed a pledge that reads, “I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects of any organizations for which I work.” This pledge is being taken on over 100 campuses across the country this spring and encourages graduates to be intentional and responsible about their employment.

## Official Photographs

Arrangements have been made with GradImages™ to take pictures of each graduate. Color proofs of these photos are made available to graduates within 72 hours of commencement. Please go to their website for additional information.

## Livestreaming and Child-Friendly Viewing

Video of the commencement ceremony is livestreaming online for those unable to be in attendance at [goshen.edu/graduation](http://goshen.edu/graduation).

A live video will be available for viewing in the lobby and room 104-105 of the Recreation-Fitness Center.

## Translation, Accessibility and Cell Phone Use

Spanish translation headsets and assisted listening devices are available in the lobby. ASL and wheelchair accessible reserved seating areas are available. Please see an usher for assistance. Please silence cell phones during the commencement ceremony.

# The Class of 2018

The following list of degree candidates includes all members of the 2018 graduating class whether participating in the exercises or being graduated in absentia. Some December 2018 graduates have chosen to participate in these exercises. Inclusion in this publication may not be construed as documentation of completion of degree requirements. Certification of the conferral of a degree is by receipt of a diploma or official transcript noting degree completion.

## *Degrees*

Goshen College confers three graduate degrees: the Master of Arts in Environmental Education, the Master of Business Administration and the Master of Science in Nursing. The Master of Business Administration program is in collaboration with Bluffton University, Canadian Mennonite University and Eastern Mennonite University. All graduates of the Collaborative MBA are listed in each school's commencement program.

Two baccalaureate degrees are conferred. Those with majors in business administration, nursing, organizational leadership, or the social work degree completion program receive the Bachelor of Science degree. All others receive the Bachelor of Arts degree.

Following each name is the field of study being completed by the student. Use of the diagonal (/) indicates that the two fields are a double major program with two equal areas of concentration. Areas in which a minor will be completed are indicated by *italics*. Secondary education certification is listed in parentheses. Interdisciplinary concentrations are listed after the colon.

## *Graduation Honors*

Graduation honors are awarded to undergraduate students who have earned a cumulative GPA of 3.6 or above with no grade lower than a "C" at Goshen College. Students in the traditional baccalaureate degree program must have completed a minimum of 48 graded hours at Goshen College. Students in accelerated and degree completion programs must have completed at least 40 graded hours at Goshen College. Honors are reflective of grade point averages as of December 2017 and are subject to change with the addition of grades in later terms. The specific honor is indicated with an asterisk after the name.

\*\*\* *Summa Cum Laude*: 3.90-4.00 GPA (with highest honor)

\*\* *Magna Cum Laude*: 3.80-3.89 GPA (with great honor)

\* *Cum Laude*: 3.60-3.79 GPA (with honor)

# About Goshen College

Goshen College is an affordable, nationally-ranked Christian liberal arts college in Northern Indiana known for leadership in intercultural and international education, sustainability and social justice. The college offers bachelor's degrees in more than 65 areas of study, as well as select master's degrees. Goshen enrolls approximately 870 students from 34 states and 26 countries and is recognized for its innovative, life-changing study abroad program (Study-Service Term) and exceptional educational value. The 135-acre tree-filled campus features a world-class Music Center and a Rec-Fitness Center for 14 intercollegiate athletic teams. The extended campus includes a 1,189-acre natural sanctuary (the Merry Lea Environmental Learning Center near Wolf Lake, Indiana) and a marine biology lab in the Florida Keys. Rooted in the Mennonite church and established in 1894, the college's Christ-centered mission produces passionate learners, compassionate peacemakers, global citizens and servant leaders. The college's doors are open to all, with students from 40 different Christian denominations and several world religions. Experiential learning, faculty mentors and strong friendships are significant community strengths for students.
