

Welcome!

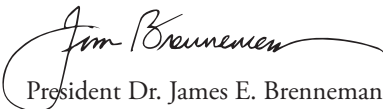

Welcome to the 119th commencement ceremony of Goshen College. We are delighted that you have joined us this weekend to celebrate the lives and accomplishments of our 2017 graduating class. Commencement signals both endings and beginnings in the lives of our graduates. We trust you will find opportunity to share cherished experiences, to greet friends and faculty, and to hear dreams of exciting possibilities yet to come.

On behalf of the Goshen College faculty and staff, we extend our heartfelt congratulations to all students, parents and families for a journey well traveled. We are profoundly conscious of the hard work and strong dedication to college education that brought you to this important moment in your life and the life of the college. The door of welcome will always be open to each of you as we look forward to an ongoing relationship with past and future Goshen alumni and friends.

May God bless each one of you with grace and courage for the life that lies ahead. May all your dreams and service begin, continue and end in God's best intentions for you. May you always experience the abiding joy and deep meaning of a life sustained by the Christ-centered core values that uphold and guide this great institution: passionate learning, global citizenship, compassionate peacemaking and servant leadership.

Above all, may you be divine instruments of peace — serving the world through your work and witness.

With gratitude,

President Dr. James E. Brenneman

Montaña (Mountain)

If you have faith, the size of a mustard seed
(*Si tuvieres fe, como un grano de mostaza*)
that's what the Savior said.
(*esto lo dice el Señor.*)

And you will say, unto that mountain
(*Tu le dirias a la montana*)

Be cast away, be cast away-ay-ay
(*Muevete, muevete*)

And that mountain shall be moved (shall be moved, shall be moved)

(*Esa montana se movera, se movera, se movera*)

And that mountain shall be moved (shall be moved, shall be moved)

(*Esa montana se movera, se movera, se movera*)

Litany of Blessing

written by Joelle Friesen, class of 2017

Enveloped in darkness, buried in earth that nourishes and cloaks, humbly carrying worlds within us:

We are seeds, waiting our time to burst forth from the soil.

Living into the discomfort of new ways of being, welcoming transformations, experiencing both joys and challenges:

We are sprouts, full of resilience and stronger than we realize.

Reaching for sunlight, seeking that which sustains mind and spirit, striving to find our place in the world:

We grow both inwards and outwards in knowledge, wisdom and experience.

Storms batter, soft rain comforts, sunshine encourages; we make the most of what life gives us:

We branch out, creating relationships and community.

Extending our comfort zones, stepping into the unknown, embracing uncertainty to create a brighter world:

We bud, bringing hope for the future.

Living fully, serving others, joining our passions and the world's needs in a myriad of ways:

We burst into bloom, embodying justice and hope.

Cultivating community, growing through each encounter, supporting and sharing with one another:

We bear fruit, recognizing that we are but one part of a complex web of life.

In all of our stages of life, may we remember that no seed is too small to become a tree, that growth involves discomfort and that we are called to offer our gifts for the good of the world.

May we continually nurture seeds of change, living out peace, justice and hope in all that we do. Amen.

*Translation: *We have not seen Mandela in the place where he is kept.* We sing this piece to amplify the voices of those struggling for justice around the world.

Dr. Luis Ricardo Fraga, *Commencement Speaker*

Dr. Luis Ricardo Fraga is co-director of the Institute for Latino Studies, the Notre Dame Professor of Transformative Latino Leadership, the Joseph and Elizabeth Robbie Professor of Political Science and a fellow for the Institute for Educational Initiatives at the University of Notre Dame.

Fraga graduated cum laude with a degree in government from Harvard University and earned his M.A. and Ph.D. in political science from Rice University. His primary interests are in American politics, where he specializes in Latino politics, immigration policy, education politics, and voting rights policy.

In 2011, President Barack Obama appointed Fraga to the President's Advisory Commission on Educational Excellence for Hispanics. That same year, Hispanic Business named him one of the top "100 Influentials" in the United States.

He has authored or co-authored six books, including a high school textbook, and has published numerous journal articles and book chapters. He has received fifteen awards for his teaching, mentoring and advising.

Fraga is married to Charlene L. Aguilar, and they have three children. He is a native of Corpus Christi, Texas.

Alma Mater

Goshen College's beloved Alma Mater was written in 1911, based on a poem by Menno Ezra Miller of Kalona, Iowa, an alumnus of GC's high school level academy in 1908-09. The head of the School of Music at the time, John D. Brunk, set it to music. As Becky Horst writes in *Goshen College: A Pictorial History, 1894-1994*, "It is probably the only college song anywhere to be written with a 5/4 time signature, although the chorus returns to a more familiar 4/4 pattern."

The Academic Procession

The history of academic dress reaches back into the earliest days of the oldest universities. The costumes and colors, trimmings and patterns you will see are all traditional and interpret both the degree and field of learning. The bachelor's gown has pointed sleeves; the master's gown has an oblong sleeve. The doctor's gown has bell-shaped sleeves decorated with chevrons of velvet.

The hoods, differing in length for the three degrees, are lined with the official colors of the university or college conferring the degree. Hoods are edged and bound with velvet of the color appropriate for the degree.

The colors you will see in the hoods and gowns of Goshen College faculty represent the various fields in which the degrees were taken:

arts and humanities – *white*
business – *brown*
education – *blue*
engineering – *orange*
fine arts – *brown*
journalism – *crimson*
law – *purple*
library science – *lemon yellow*
medicine – *green*
music – *pink*
nursing – *apricot*
philosophy – *dark blue*
physical education – *sage green*
public and environmental affairs – *turquoise*
public health – *salmon pink*
science – *yellow*
social work – *citron*
theology – *scarlet*

Graduates are wearing caps and gowns made from natural wood sources exclusively from renewable management forests. They will break down in the soil in a year or less.

The Lamp and the Book

Goshen College is a place of light and of enlightenment. The college seal incorporates the official motto, a lamp and a book. In 1904, “Culture for Service” was made the motto of Goshen College after the term was used by the college’s first president, Noah E. Byers, in his 1903 inaugural address. The book symbolizes the importance of the written word, especially holy Scripture. The lighted lamp represents the light of learning that, in a world of darkness, pushes back the darkness.

The actual lamp and book used to be passed from the graduating senior class to the junior class in a ceremony. Now, graduates sign the book after receiving their degrees in a tradition that links generations of alumni in the spirit of “Culture for Service” and extends the light of learning to future students.

Graduation Pledge

Many graduates are wearing a green ribbon today signifying that they have signed a pledge that reads, “I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects of any organizations for which I work.” This pledge is being taken on over 100 campuses across the country this spring and encourages graduates to be intentional and responsible about their employment.

Official Photographs

Arrangements have been made with GradImages™ to take pictures of each graduate. Color proofs of these photos are made available to graduates within 72 hours of commencement. Details have been given to the graduates and are available at the table in the RFC lobby.

Live Streaming and Child-friendly Viewing

Video of the commencement ceremony is being live-streamed online for those unable to be in attendance at goshen.edu/graduation.

A live video will be available for viewing in the lobby and room 104-105 of the Recreation-Fitness Center.

Translation, Accessibility and Cell Phone Use

Spanish translation headsets and assisted listening devices are available in the lobby for all who need them. ASL and wheelchair accessible seating areas are available. Please see an usher for assistance. Please turn off cell phones during the commencement ceremony.

The Class of 2017

The following list of degree candidates includes all members of the 2017 graduating class whether participating in the exercises or being graduated in absentia. Some December 2017 graduates have chosen to participate in these exercises. Inclusion in this publication may not be construed as documentation of completion of degree requirements. Certification of the conferral of a degree is by receipt of a diploma or official transcript noting degree completion.

Degrees

Goshen College confers three graduate degrees: the Master of Arts in Environmental Education, the Master of Business Administration and the Master of Science in Nursing. The Master of Business Administration program is in collaboration with Bluffton University, Canadian Mennonite University and Eastern Mennonite University. All graduates of the Collaborative MBA are listed in each school's commencement program.

Two baccalaureate degrees are conferred. Those with majors in nursing, organizational leadership, or the social work degree completion program receive the Bachelor of Science degree. All others receive the Bachelor of Arts degree.

Following each name is the field of study being completed by the student. Use of the diagonal (/) indicates that the two fields are a double major program with two equal areas of concentration. Areas in which a minor will be completed are indicated by *italics*. Secondary Education certification is listed in parentheses. Interdisciplinary concentrations are listed after the colon.

Graduation Honors

Graduation honors are awarded to undergraduate students who have earned a cumulative GPA of 3.6 or above with no grade lower than a "C" at Goshen College. Students in the traditional baccalaureate degree program must have completed a minimum of 48 graded hours at Goshen College. Students in accelerated and degree completion programs must have completed at least 40 graded hours at Goshen College. Honors are reflective of grade point averages as of December 2016 and are subject to change with the addition of grades in later terms. The specific honor is indicated with an asterisk after the name.

*** *Summa Cum Laude*: 3.90-4.00 GPA (with highest honor)

** *Magna Cum Laude*: 3.80-3.89 GPA (with great honor)

* *Cum Laude*: 3.60-3.79 GPA (with honor)

About Goshen College

Goshen College is an affordable, nationally-ranked Christian liberal arts college in Northern Indiana known for leadership in intercultural and international education, sustainability and social justice. The college offers bachelor's degrees in more than 65 areas of study, as well as select master's degrees. Goshen enrolls approximately 850 students from 32 states and 25 countries and is recognized for its innovative, life-changing study abroad program (Study-Service Term) and exceptional educational value. The 135-acre tree-filled campus features a world-class Music Center and a Rec-Fitness Center for 13 intercollegiate athletic teams. The extended campus includes a 1,189-acre natural sanctuary (the Merry Lea Environmental Learning Center near Wolf Lake, Indiana) and a marine biology lab in the Florida Keys. Rooted in the historically peaceful Mennonite church and established in 1894, the college's Christ-centered mission produces passionate learners, compassionate peacemakers, global citizens and servant leaders. The college's doors are open to all, with students from 40 different Christian denominations and several world religions. Experiential learning, faculty mentors and strong friendships are significant community strengths for students.
