Breaking Away

***Today we have come together to celebrate harvest time.**

****** *During the last four years we have grown intellectually, spiritually, physically and psychologically. Now we are ready to test out our knowledge in the real world.*

The Goshen College tree stands firmly in a healthy soil.

We spent challenging years here. Classes, people, SST, helped us to bring together our faith and our actions. Professors encouraged us to develop academic skills. They also brought out human values in us. Their trust supported us.

Winter strips a tree of its leaves.

We might have felt cut off from home and from our past when we first came to Goshen.

Then comes spring. The tree starts blossoming.

We made friends, became familiar with the academics, improved our self-discipline and took on responsibilities on campus.

In the summer the sun shines on the tree, inviting it to bear fruit.

We matured in our tasks. We became more self secure because we were discovering goals worth living for.

Now harvest time has come. The ripe fruit is ready to fall off.

We have arrived at the end of our time at Goshen College and will soon scatter all over the world. The time has come to meet people with different perspectives on life. We might have to leave some of our ready-made college ideas behind us and find new ways of looking at things.

Once on the ground, fruits produce seedlings that will grow into a tree.

We do not know what the future holds, but we want to go out and bring God's life into this world. Let us rejoice in what we have learned here and generously give it away.

Every year a tree needs pruning.

Today the college dismisses the senior class, leaving an open gap behind them. Yet other students will benefit from taking on our responsibilities. It is really time for us to break away.

and father of Thomas and Timothy, of the graduating class

Congregational Hymn

"Joyful, Joyful, We Adore Thee"

Tune: Hymn to Joy 8.7.8.7.D.

1. Joyful, joyful, we adore Thee, God of glory, Lord of love;
Hearts unfold like flowers before Thee, Praising Thee their sun above.
Melt the clouds of sin and sadness; Drive the dark of doubt away;
Giver of immortal gladness, Fill us with the light of day!
2. All Thy works with joy surround Thee, Earth and heav'n reflect Thy rays,
Stars and angels sing around Thee, Center of unbroken praise;
Field and forest, vale and mountain, Blooming meadow, flashing sea,
Chanting bird and flowing fountain, Call us to rejoice in Thee.
3. Thou art giving and forgiving, Ever blessing, ever blest,
Wellspring of the joy of living, Oceandepth of happy rest!
Thou our Father, Christ our Brother, All who live in love are Thine:
Teach us how to love each other, Lift us to the joy divine.

Commencement Address

"She was educated and she had her own ideas"

Laura Bornholdt

Vice President for Education, Lilly Endowment, Inc.,
Indianapolis, Ind.

Congregational Hymn

"O God, Our Help In Ages Past"

Tune: St. Anne C.M.

1. O God, our help in ages past, Our hope for years to come,
Our shelter from the stormy blast, And our eternal home.
2. Under the shadow of Thy throne Thy saints have dwelt secure;
Sufficient is Thine arm alone, And our defense is sure.
3. Before the hills in order stood, Or earth received her frame,
From everlasting Thou art God, To endless years the same.
4. A thousand ages in Thy sight Are like an evening gone;
Short as the watch that ends the night Before the rising sun.
5. O God, our help in ages past, Our hope for years to come,
Be Thou our guard while troubles last, And our eternal home.

Conferring of Degrees

The congregation is requested to remain standing during the recessional.

Please refrain from taking flash pictures during the service, except during the presentation of diplomas.

The Class Of 1984

The following list of graduates includes all members of the 1984 graduating class whether participating in the exercises or being graduated in absentia. Some members of the 1985 class have chosen to participate in these exercises.

Two degrees are conferred. Those with a major in Nursing receive the Bachelor of Science in Nursing. All others receive the Bachelor of Arts.

Following each name is the field of study completed by the student. Use of the diagonal (/) indicates that the two fields are a double major program completed by the student with two equal areas of concentration. Areas in which a minor will be completed are indicated by italics.

The sky, earth and endless tree line symbolize the absence of boundaries to me. After graduation this class of '84 is going to scatter to various vocations all over the world. Commencement means the beginning of seemingly endless possibilities, as well as the end of our time together here at Goshen.
