117th Goshen College Commencement

April 26, 2015

Welcome!

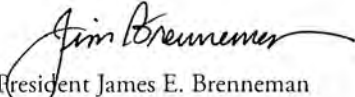

Welcome to the 117th commencement ceremony of Goshen College. We are delighted that you have joined us this weekend to celebrate the lives and accomplishments of our 2015 graduating class. Commencement signals both endings and beginnings in the lives of our graduates. We trust you will find opportunity to share cherished experiences, to greet friends and faculty, and to hear dreams of exciting possibilities yet to come.

On behalf of the Goshen College faculty and staff, we extend our heartfelt congratulations to all students, parents and families for a journey well traveled. We are profoundly conscious of the hard work and strong dedication to college education that brought you to this important moment in your life and the life of the college. The door of welcome will always be open to each of you as we look forward to an ongoing relationship with past and future Goshen alumni and friends.

May God bless each one of you with grace and courage for the life that lies ahead. May all your dreams and service begin, continue and end in God's best intentions for you. May you always experience the abiding joy and deep meaning of a life sustained by those core values that also uphold and guide Goshen College: Christ-centeredness, passionate learning, global citizenship, compassionate peacemaking and servant leadership.

Above all, may you be divine instruments of peace – helping heal the world through your work and witness.

President James E. Brenneman

Raj Biyani '92

Commencement Speaker

Raj Biyani '92 is managing director for Microsoft IT India, Hyderabad, Microsoft's largest IT operation outside its corporate headquarters in Redmond, Washington. The transformation of the Microsoft India organization into a talent magnet has been featured in case studies at the Harvard Business School, Indian Institute of Management Calcutta and Singapore Management University.

Prior to relocating to India in 2011, Biyani worked in engineering teams across several Microsoft product groups in Redmond. Biyani has been awarded several U.S. patents and one EU patent, and has established himself as a thought leader by authoring or co-authoring 10 "Think Week" papers for Bill Gates.

Biyani is the coauthor of "To the Cloud: Cloud-Powering an Enterprise – A CIO's Essential Guide" (McGraw-Hill 2012). Biyani was on point for Microsoft's partnership with James Cameron on the making of "Avatar," which established Microsoft as a critical data management partner for the movie. In 2014, Biyani coproduced a documentary, "Inventing the Zero, Reaching for Infinity: The Story of India and its IT industry," that was telecast on CNBC in India.

Biyani was born in India and moved to the United States to attend college. Biyani holds a bachelor's degree from Goshen College, where he studied computer science and accounting. He has an MBA with honors from the University of Chicago.

An avid practitioner of cutting-edge business thinking, Biyani established the "Giving Something Back" award in 2003, a scholarship awarded to a Goshen College international student who has made outstanding contributions to campus life.

He resides with his wife and two children in Hyderabad, India, and divides his time between his Redmond and Hyderabad offices.

The Academic Procession

The history of academic dress reaches back into the earliest days of the oldest universities. The costumes and colors, trimmings and patterns you will see are all traditional and interpret both the degree and field of learning. The bachelor's gown has pointed sleeves; the master's gown has an oblong sleeve. The doctor's gown has bell-shaped sleeves decorated with chevrons of velvet.

The hoods, differing in length for the three degrees, are lined with the official colors of the university or college conferring the degree. Hoods are edged and bound with velvet of the color appropriate for the degree.

The colors you will see in the hoods and gowns of Goshen College faculty represent the various fields in which the degrees were taken:

apricot – nursing
brown – fine arts
citron – social work
crimson – journalism
dark blue – philosophy
yellow – science
green – medicine
lemon yellow – library science
blue – education
pink – music
purple – law
sage green – physical education
salmon pink – public health
scarlet – theology
brown – business
white – arts and humanities
orange – engineering

The Lamp and the Book

Goshen College is a place of light and of enlightenment. The college seal incorporates the official motto, a lamp and a book. In 1904, "Culture for Service" was made the motto of Goshen College after the term was used by the college's first president, Noah E. Byers, in his 1903 inaugural address. The book symbolizes the importance of the written word, especially holy Scripture. The lighted lamp represents the light of learning that, in a world of darkness, pushes back the darkness.

The actual lamp and book used to be passed from the graduating senior class to the junior class in a ceremony. Now, graduates sign the book after receiving their degrees in a tradition that links generations of alumni in the spirit of "Culture for Service" and extends the light of learning to future students.

Making Peace with the Environment

Graduates are wearing caps and gowns made from natural wood sources exclusively from renewable management forests. They will break down in the soil in a year or less.

This program is printed on paper that contains 10-30 percent post-consumer recycled content.

Official Photographs

Arrangements have been made with GradImages™ to take pictures of each graduate. Color proofs of these photos are made available to graduates within 72 hours of commencement. Details have been given to the graduates.

The Class of 2015

The following list of degree candidates includes all members of the 2015 graduating class whether participating in the exercises or being graduated in absentia. Some December 2015 graduates have chosen to participate in these exercises. Inclusion in this publication may not be construed as documentation of completion of degree requirements. Certification of the conferral of a degree is by receipt of a diploma or official transcript noting degree completion.

Degrees

Goshen College confers three graduate degrees: the Master of Arts in Environmental Education, the Master of Arts in Intercultural Leadership, and the Master of Science in Nursing.

Two baccalaureate degrees are conferred. Those with majors in Nursing, Organizational Leadership, Business Administration, or the accelerated Social Work program receive the Bachelor of Science degree. All others receive the Bachelor of Arts degree.

Following each name is the field of study being completed by the student. Use of the diagonal (/) indicates that the two fields are a double major program with two equal areas of concentration. Areas in which a minor will be completed are indicated by *italics*. Secondary Education certification is listed in parentheses. Interdisciplinary concentrations are listed after the colon.

Graduation Honors

Graduation honors are awarded to undergraduate students who have earned a cumulative GPA of 3.6 or above with no grade lower than a "C" at Goshen College. Students in the traditional baccalaureate degree program must have completed a minimum of 48 graded hours at Goshen College. Students in the Adult Degree Completion Program must have completed at least 40 graded hours at Goshen College. Honors are reflective of grade point averages as of December 2013 and are subject to change with the addition of grades in later terms. The specific honor is indicated with an asterisk after the name.

* *Summa Cum Laude*: 3.90-4.00 GPA (with highest honor)

** *Magna Cum Laude*: 3.80-3.89 GPA (with great honor)

*** *Cum Laude*: 3.60-3.79 GPA (with honor)

Goshen College

Founded in 1894, Goshen College is a private residential, Christian college of the liberal arts and sciences, affiliated with Mennonite Church USA and committed to Christ-centered passionate learning, global citizenship, compassionate peacemaking and servant leadership.

Location: Goshen, Indiana (pop. 32,000); 120 miles east of Chicago

Enrollment: Approximately 850 students from 32 states and 25 countries

Campus: 135 acres with 19 major buildings, plus a 1,189-acre natural sanctuary 31 miles from campus and a marine biology laboratory in the Florida Keys

Student-faculty ratio: 10:1

Graduation rate: 71 percent

International education: Goshen's Study-Service Term (SST) is among the nation's top innovative study abroad programs. With six host countries, over 80 percent of graduating students have studied abroad.

Campus life: Many student clubs and co-curricular opportunities

Campus ministries: Regular chapel services, Bible study and small groups, worship team, voluntary service and spiritual direction

Athletics: 13 intercollegiate sports in the competitive NAIA Crossroads League

Financial aid: Around 99 percent of full-time Goshen College students receive some form of financial assistance, with an average package of scholarships, grants and loans totaling more than \$19,470.
