# We say thanks

## **Amy Brown**

On this day, I wish to thank my mother and children. I am humbled, mom, by the care and support you've given me over the years. Thank you for instilling me with a passion for learning and for doing everything possible to put me on the path to success. I will never forget the important values you have passed down to me – particularly hard work and perseverance. To my boys: you are my most precious possession and biggest blessing in my life. You too have made sacrifices and I want to express my sincerest gratitude to you. I love you!

## **Callie Bushong**

Thank you does not even come close to what I owe my family. They have been my biggest cheerleaders encouraging me every step along the way and giving me the strength, I needed. These last three years have had many hurdles and surprises, but they were always there for me. Thank you to Chris for supporting me and giving me words of encouragement I needed, without you I would not have survived. Thank you to my parents for always believing in me, especially when I didn't even believe in myself. Thank you for helping me in this journey.

## **Heather Calkins**

I want to thank the entirety of my wonderful family for their support and love throughout my educational pursuits – The road here would've been much more difficult without each of you.

Specifically, thank you to Brian for being the most supportive husband and partner. You made it possible for me to pursue my dreams and took on extra roles at home so that I could go to school, work, teach, and still be present as a Mother. You are my rock. Kaden, thank you for being the best son and cheering me on. I love you both so much.

## **Jason Clay**

Thank you, professors for sharing their knowledge and experience. Your teaching has served as a guide to this destination. Thank you, preceptors who have shared their time and clients with me. Your guidance has formed who I will be in practice. Thank you, colleagues who encouraged my journey and pushed me to be a better practitioner. Thank you, Jodi. Your love and support have helped to form the man you see here today.

### **Susan Derrickson**

I would like to extend my deepest gratitude to my husband, Andre, and children, Alexis, Phillip, Kaitlin and Kaleb. You all were immensely supportive and I could not have completed this without you. I love you all very much.

### **Bob Fiedler**

I would like to thank my fiancé, Sarah; you have helped me keep life organized the last two and a half years and supported me the entire time. To my boys, Benjamin and Henry- I have watched you grow all these years, you make me so proud. To my Mom and Dad- Thank you for all you have done in my life. I love you all so much!

### **Judith Huff**

Praise God! I am truly thankful for all of His grace and purpose. I would also like to express my love and appreciation to all of my family, friends, colleagues, and educators for the endless support and encouragement. To Andrew, thank you for your selflessness, strength, and love. You have been and continue to be such an incredible partner. Words cannot even begin to express all that I am thinking and feeling while reflecting on the last three years. We did it!!! Thank you all!!!

### **Beth Jones**

I would like to thank my family who have supported me in this journey. I realize that there were things I missed in being busy with work and school, but I appreciate your patience. To my Mom, thanks for being a role model as both a mother and nurse, your kindness and service to others has always inspired me to do better. Fantastic four, I am so blessed by all of you and the lifetime friendships we have made ..you rock!!!! Your support will never be forgotten. Love and thanks

### **Shawnee Seward**

I would like to give a heartfelt thank you to my mom and dad, my husband Shane, Tom and Amy Ferguson, Terry Sanders, and the Fantastic Four. Thank you for your love, laughter, and words of encouragement. Thank you for the tech support, paper critiques, and the Google Maps dry runs to find clinical sites. Thank you for all that you have done over the years to make this day possible. I am eternally grateful.

**Sara Utz**

Kids- Thank you for allowing me to pursue my dreams. You have been my inspiration and encouragement to keep going. I want you to see the value in education and support you with your dreams. Mom- thank you for being there for me and my family, words can't explain my appreciation for you always jumping in to help me. Chris you have been my rock for the past 16 months, you have supported me, inspired me, and challenged me to do my very best. Girls- WOW! We made it! I am so grateful for you all in my life.

**Ashley Walorski**

I would not have made it to this point without the help and encouragement of so many people! Thank you to my parents for all the extra dog-sitting during clinical, listening when I was frustrated, and unwavering support. Also, to my preceptors, Alex Bikowski and Jess Magyar, for your faith in me when I had almost no faith in myself. Last but not least, to my grandparents Cyril & Mary Brooke who were the first ones to tell me I should become a Nurse Practitioner--I wish you were here to see it finally happen!

# Goshen College Core Values

## Christ-Centeredness

*For no one can lay any foundation other than the one that has been laid; that foundation is Jesus Christ.*

**I Corinthians 3:11**

## Passionate Learning

*For this very reason, you must make every effort to support your faith with goodness, and goodness with knowledge, and knowledge with self-control, and self-control with endurance, and endurance with godliness, and godliness with mutual affection, and mutual affection with love. For if these things are yours and are increasing among you, they keep you from being ineffective and unfruitful in the knowledge of our Lord Jesus Christ.*

**II Peter 1:5-8**

## Servant Leadership

*But whoever wishes to be great among you must be your servant, and whoever wishes to be first among you must be your slave; just as the Son of [God] came not to be served but to serve, and to give his life as a ransom for many.*

**Matthew 20:26-28**

## Compassionate Peacemaking

*Blessed are the peacemakers, for they will be called children of God.*

**Matthew 5:9**

## Global Citizenship

*All this is from God, who reconciled us to himself through Christ, and has given us the ministry of reconciliation; that is, in Christ God was reconciling the world to himself, not counting their trespasses against them, and entrusting the message of reconciliation to us. So we are ambassadors for Christ, since God is making his appeal through us; we entreat you on behalf of Christ, be reconciled to God.*

**II Corinthians 5:18-20**
