## ***Beloved Is Where We Begin***

By Jan Richardson

from *Circle of Grace: A Book of Blessings for the Seasons*

If you would enter  
into the wilderness,  
do not begin  
without a blessing.  
Do not leave  
without hearing  
who you are:  
Beloved,  
named by the One  
who has traveled this path  
before you.  
Do not go  
without letting it echo  
in your ears,  
and if you find  
it is hard  
to let it into your heart,  
do not despair.  
That is what  
this journey is for.  
I cannot promise  
this blessing will free you  
from danger,  
from fear,  
from hunger  
or thirst,  
from the scorching  
of sun

or the fall  
of the night.  
But I can tell you  
that on this path  
there will be help.  
I can tell you  
that on this way  
there will be rest.  
I can tell you  
that you will know  
the strange graces  
that come to our aid  
only on a road  
such as this,  
that fly to meet us  
bearing comfort  
and strength,  
that come alongside us  
for no other cause  
than to lean themselves  
toward our ear  
and with their  
curious insistence  
whisper our name:  
Beloved.  
Beloved.  
Beloved.

# The Academic Procession

The history of academic dress reaches back into the earliest days of the oldest universities. The costumes and colors, trimmings and patterns you will see are all traditional and interpret both the degree and field of learning. The bachelor's gown has pointed sleeves; the master's gown has an oblong sleeve. The doctor's gown has bell-shaped sleeves decorated with chevrons of velvet.

The hoods, differing in length for the three degrees, are lined with the official colors of the university or college conferring the degree. Hoods are edged and bound with velvet of the color appropriate for the degree.

The colors you will see in the hoods and gowns of Goshen College faculty represent the various fields in which the degrees were taken:

arts and humanities – *white*

business – *brown*

education – *blue*

engineering – *orange*

fine arts – *brown*

journalism – *crimson*

law – *purple*

library science – *lemon yellow*

medicine – *green*

music – *pink*

nursing – *apricot*

philosophy – *dark blue*

physical education – *sage green*

public and environmental affairs – *turquoise*

public health – *salmon pink*

science – *yellow*

social work – *citron*

theology – *scarlet*

---

Graduates are wearing caps and gowns made from natural wood sources exclusively from renewable management forests. They will break down in the soil in a year or less.

## Alma Mater

Goshen College's beloved Alma Mater was written in 1911, based on a poem by Menno Ezra Miller of Kalona, Iowa, an alumnus of GC's high school level academy in 1908-09. The head of the School of Music at the time, John D. Brunk, set it to music. As Becky Horst writes in *Goshen College: A Pictorial History, 1894-1994*, "It is probably the only college song anywhere to be written with a 5/4 time signature, although the chorus returns to a more familiar 4/4 pattern."

# The Lamp and the Book

Goshen College is a place of light and of enlightenment. The college seal incorporates the official motto, a lamp and a book. In 1904, "Culture for Service" was made the motto of Goshen College after the term was used by the college's first president, Noah E. Byers, in his 1903 inaugural address. The book symbolizes the importance of the written word, especially holy Scripture. The lighted lamp represents the light of learning that, in a world of darkness, provides illumination.

The actual lamp and book used to be passed from the graduating senior class to the junior class in a ceremony. Now, graduates sign the book after receiving their degrees in a tradition that links generations of alumni in the spirit of "Culture for Service" and extends the light of learning to future students.

## Graduation Pledge

Many graduates are wearing a green ribbon today signifying that they have signed a pledge that reads, "I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects of any organizations for which I work." This pledge is being taken on over 100 campuses across the country this spring and encourages graduates to be intentional and responsible about their employment.

# The Class of 2021

The following list of degree candidates includes all members of the 2021 graduating class. Some December 2020 and 2021 graduates have chosen to participate in the April 2021 commencement exercises and are listed in this program. Inclusion in this publication may not be construed as documentation of completion of degree requirements. Certification of the conferral of a degree is by receipt of a diploma or official transcript noting degree completion.

## Degrees

Goshen College confers four graduate degrees: the Doctor of Nursing Practice, the Master of Arts in Environmental Education, the Master of Business Administration and the Master of Science in Nursing. The DNP is a collaboration with Eastern Mennonite University and the Master of Business Administration program is in collaboration with Bluffton University, Canadian Mennonite University and Eastern Mennonite University. All graduates of the Collaborative MBA are listed in each school's commencement program.

Two baccalaureate degrees are conferred. Those with majors in nursing or organizational leadership and social work degree completion programs receive the Bachelor of Science degree. All others receive the Bachelor of Arts degree.

Following each name is the field of study being completed by the student. Use of the diagonal (/) indicates that the two fields are a double major program with two equal areas of concentration. Areas in which a minor will be completed are indicated by *italics*. Secondary education certification is listed in parentheses. Interdisciplinary concentrations are listed after the colon.

## Graduation Honors

Graduation honors are awarded to undergraduate students who have earned a cumulative GPA of 3.6 or above with no grade lower than a "C" at Goshen College. Students in the traditional baccalaureate degree program must have completed a minimum of 48 graded hours at Goshen College. Students in degree completion programs must have completed at least 40 graded hours at Goshen College. Honors are reflective of grade point averages as of December 2020 and are subject to change with the addition of grades in later terms. The specific honor is indicated with an asterisk after the name.

- \*\*\* *Summa Cum Laude*: 3.90-4.00 GPA (with highest honor)
- \*\* *Magna Cum Laude*: 3.80-3.89 GPA (with great honor)
