

124th Goshen College Commencement

May 1, 2022

Congratulations Class of 2022!

I am honored and delighted to celebrate this momentous occasion with all of you. My heart is full of gratitude for you, your tremendous accomplishments and the many ways you have contributed to the Goshen College community.

On behalf of the Goshen College faculty and staff, we extend our heartfelt congratulations to all students, parents and families for a journey well traveled. We are profoundly conscious of the hard work and strong dedication to college education that brought you to this important moment in your life and the life of the college. A big Maple Leaf welcome will always be here for you as you join our illustrious alumni. We look forward to staying connected with you.

I'll close with this prayer of blessing for you:

May God bless each one of you with grace and courage for the life that lies ahead.

May all your dreams and service begin, continue and end in God's best intentions for you.

May you always experience the abiding joy and deep meaning of a life sustained by the Christ-centered core values that uphold and guide this great institution: passionate learning, global citizenship, compassionate peacemaking and servant leadership.

Above all, may you be divine instruments of peace — serving the world through your work and witness as a courageous, creative and compassionate leader.

Joyfully,

President Dr. Rebecca J. Stoltzfus '83

Commencement Speaker Dr. John D. Roth

Since 1985, John D. Roth '81 has been a professor of history at Goshen College, where he also served as director of the Mennonite Historical Library and editor of *The Mennonite Quarterly Review*. He is also the founding director of the Institute for the Study of Global Anabaptism at Goshen College and secretary of the Mennonite World Conference Faith and Life Commission.

Roth graduated from Goshen College in 1981 with a degree in history. He earned a master's degree in 1983 and a doctoral degree in 1989 in history from the University of Chicago.

Roth has published widely on topics related to Anabaptist-Mennonite history and church life. He is the author or co-author of nearly a dozen books, including "Choosing Against War: A Christian View" (Good Books, 2002); "Beliefs: Mennonite Faith and Practice" (Herald Press, 2005); "Stories: How Mennonites Came to Be" (Herald Press, 2006); "Practices: Mennonite Worship and Witness" (Herald Press, 2008); "Teaching That Transforms: Why Anabaptist-Mennonite Education Matters" (Herald Press, 2011); "Where the People Go: Community, Generosity, and the Story of Everence" (Herald Press, 2020); and "A Cloud of Witnesses: Celebrating Indonesian Mennonites" (Herald Press, 2021). He is currently working on a book that examines and frames Goshen College's history, identity and heritage in light of the present context of diversity and inclusion.

He has edited and translated numerous other books, and his writing has been regularly featured in *Anabaptist World* (formerly *The Mennonite* and *Mennonite World Review*), *Mennonite Quarterly Review* and *Plough Quarterly*.

A highly sought-after speaker on Anabaptist topics, Roth has spoken across North America, Latin America, Africa, Europe and Asia. He has taught May term classes in Paraguay and in Europe, and led three Study-Service Term units in Costa Rica in 1995-96.

Roth is retiring from Goshen College this year and will be starting a new position with MennoMedia as project director of their "Anabaptism at 500" initiative. Roth and his wife, Ruth, are the parents of four adult children and four grandchildren and are active members of Berkey Avenue Mennonite Fellowship in Goshen.

The Academic Procession

The history of academic dress reaches back into the earliest days of the oldest universities. The costumes and colors, trimmings and patterns you will see are all traditional and interpret both the degree and field of learning. The bachelor's gown has pointed sleeves; the master's gown has an oblong sleeve. The doctor's gown has bell-shaped sleeves decorated with chevrons of velvet.

The hoods, differing in length for the three degrees, are lined with the official colors of the university or college conferring the degree. Hoods are edged and bound with velvet of the color appropriate for the degree.

The colors you will see in the hoods and gowns of Goshen College faculty represent the various fields in which the degrees were taken:

arts and humanities – *white*

business – *brown*

education – *blue*

engineering – *orange*

fine arts – *brown*

journalism – *crimson*

law – *purple*

library science – *lemon yellow*

medicine – *green*

music – *pink*

nursing – *apricot*

philosophy – *dark blue*

physical education – *sage green*

public and environmental affairs – *turquoise*

public health – *salmon pink*

science – *yellow*

social work – *citron*

theology – *scarlet*

Graduates are wearing caps and gowns made from natural wood sources exclusively from renewable management forests. They will break down in the soil in a year or less.

Alma Mater

Goshen College's beloved Alma Mater was written in 1911, based on a poem by Menno Ezra Miller of Kalona, Iowa, an alumnus of GC's high school level academy in 1908-09. The head of the School of Music at the time, John D. Brunk, set it to music. As Becky Horst writes in *Goshen College: A Pictorial History, 1894-1994*, "It is probably the only college song anywhere to be written with a 5/4 time signature, although the chorus returns to a more familiar 4/4 pattern."

The Lamp and the Book

Goshen College is a place of light and of enlightenment. The college seal incorporates the official motto, a lamp and a book. In 1904, "Culture for Service" was made the motto of Goshen College after the term was used by the college's first president, Noah E. Byers, in his 1903 inaugural address. The book symbolizes the importance of the written word, especially holy Scripture. The lighted lamp represents the light of learning that, in a world of darkness, provides illumination.

The actual lamp and book used to be passed from the graduating senior class to the junior class in a ceremony. Now, graduates sign the book after receiving their degrees in a tradition that links generations of alumni in the spirit of "Culture for Service" and extends the light of learning to future students.

Graduation Pledge

Many graduates are wearing a green pin today signifying that they support the Graduation Pledge. It states: "I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects of any organizations for which I work." This pledge is being taken on over 100 campuses across the country this spring and encourages graduates to be intentional and responsible about their employment.

Official Photographs

Arrangements have been made with GradImages™ to take pictures of each graduate. Color proofs of these photos are made available to graduates within 72 hours of commencement. Please go to their website for additional information. gradimages.com

Livestreaming

Video of the commencement ceremony is livestreaming online at goshen.edu/livestream.

Translation, Accessibility and Cell Phone Use

Livestreams of the ASL and Spanish translation are available. Go to goshen.edu/graduation to find the links. Please silence cell phones during the commencement ceremony.

The Class of 2022

The following list of degree candidates includes all members of the 2022 graduating class. Some December 2021 and 2022 graduates have chosen to participate in the April 2022 commencement exercises and are listed in this program. Inclusion in this publication may not be construed as documentation of completion of degree requirements. Certification of the conferral of a degree is by receipt of a diploma or official transcript noting degree completion.

Degrees

Goshen College confers four graduate degrees: Doctor of Nursing Practice, Master of Arts, Master of Business Administration and Master of Science in Nursing. The DNP is a collaboration with Eastern Mennonite University and the Master of Business Administration program is in collaboration with Bluffton University, Canadian Mennonite University and Eastern Mennonite University. All graduates of the Collaborative MBA are listed in each school's commencement program.

Three baccalaureate degrees are conferred: Bachelor of Arts, Bachelor of Science and Bachelor of Science in Nursing.

Following each name is the field of study being completed by the student. Use of the diagonal (/) indicates that the two fields are a double major program with two equal areas of concentration. Areas in which a minor will be completed are indicated by *italics*. Interdisciplinary concentrations are listed after the colon.

Graduation Honors

Graduation honors are awarded to undergraduate students who have earned a cumulative GPA of 3.6 or above with no grade lower than a "C" at Goshen College. Students in the traditional baccalaureate degree program must have completed a minimum of 48 graded hours at Goshen College. Students in degree completion programs must have completed at least 40 graded hours at Goshen College. Honors are reflective of grade point averages as of December 2021 and are subject to change with the addition of grades in later terms. The specific honor is indicated with an asterisk after the name.

- *** *Summa Cum Laude*: 3.90-4.00 GPA (with highest honor)
- ** *Magna Cum Laude*: 3.80-3.89 GPA (with great honor)
- * *Cum Laude*: 3.60-3.79 GPA (with honor)

About Goshen College

Goshen College is a nationally-ranked college in Indiana; renowned for its purposeful and integrated curriculum, its distinctive hands-on, real-world educational opportunities, and its commitment to creating positive change in the world. Located in the City of Goshen, the college's 135-acre tree-filled campus is home to about 900 students, including more than 45% that identify as students of color or from countries outside of the U.S. It offers over 65 undergraduate areas of study; as well as best-in-class graduate programs in nursing, business administration, and environmental education. Named the *#1 Bachelor's College in Indiana by Washington Monthly* and listed among Princeton Review's Greenest Colleges, Goshen prides itself on providing an integrated and multifaceted education that connects arts with sciences, and foundation with practice — exposing students to multiple perspectives and encouraging them to think deeply and live purposefully. With 92% of graduates entering their careers, service work or pursuing further education within a year of completion, Goshen students graduate prepared to thrive in their lives and careers; and to make meaningful and measurable impacts on their communities and their relationships with others.

Mission

Goshen College transforms local and global communities through courageous, creative and compassionate leaders. Shaped by Anabaptist-Mennonite tradition, we integrate academic excellence and real-world experience with active love for God and neighbor.

Vision

Goshen College will cultivate joy, growth and purpose, preparing students to thrive in life, leadership and service.

Rooted in the way of Jesus, we will seek inclusive community and transformative justice in all that we do.
