 - a) Abby suggests that we just let him know Senate is adjourning for the year, give that response.
 - b) Nat suggests that we recommend some clubs who might have these events in their interest who Patrick could collaborate with.

A. Restructuring of Cabinet positions?

1. Nat: with new club representatives, is a club liaison still important?

Corie: not every club will be represented, so the position is still important.

Nat: It could be cool to have a position on cabinet that is still committed to outreach.

We are looking into restructuring cabinet positions, especially looking into a role for someone focusing on community engagement and support.

Nat: community work should be written into the vice president role.

Note: Elijah is making a document of these ideas.

We will prep notes for the meeting next week, in order to discuss position details and possible changes.

Nat will send a description of his position

Senate moves to amend constitution based on Elijah's new definition of cabinet liaison position.
