Introduction

Foreword

The Institutional Research Office maintains both a static PDF/print Fact Book and a dynamic, online Fact Book that provides up-to-date, live information for campus community members. This PDF Fact Book is an excerpt of that full, on-campus publication suitable for public dissemination. Along with transitions in medium, format, and content we are also strengthening and enhancing the data structures that drive the Fact Book. This work dramatically reduces the amount of time required to publish and update the Fact Book, and will ultimately further improve the accuracy and reliability of the data. These changes also inject opportunity for error (usually human, but sometimes error driven by unanticipated consequences in the changes we've made). **We believe that "inspected data are respected data," which is our invitation for you to explore the pages of the publication with critical eyes.** Forward your questions and suggestions to us at ir@goshen.edu, as we welcome them!

A Note on Race/Ethnicity in the Fact Book

Throughout the Fact Book we are working to present race/ethnicity breakouts using two approaches, both in line with federal reporting paradigms: single-group identification and multi-group identification. With single-group identification, all persons are accounted for in a single category, and the percentage distribution must, by definition, total 100%. Persons identifying with multiple race/ethnicity groups are reported in a "Two or more races" group. With multi-group identification, we report persons who self-identify with multiple groups in all groups with which they identify. As such, multi-group race/ethnicity percentages will often total more than 100%.

Goshen College Vision

Goshen College will be recognized as an influential leader in liberal arts education focusing on international, intercultural, interdisciplinary, and integrative teaching and learning that offers every student a life-orienting story embedded in Christ centered core values: global citizenship, compassionate peacemaking, servant leadership and passionate learning

Approved by the Goshen College Board of Directors – June 2010

Mission of Goshen College

Goshen College is a liberal arts college dedicated to the development of informed, articulate, sensitive, responsible Christians.

As a ministry of the Mennonite Church, we seek to integrate Christian values with educational, social and professional life. As a community of faith and learning, we strive to foster personal, intellectual, spiritual and social growth in every person. We view education as a moral activity that produces servant-leaders for the church and the world.

Core Values

At Goshen College we intend to create a community of faith and learning built on five core values: Christ-centeredness, passionate learning, servant leadership, compassionate peacemaking and global citizenship. Our academic program and co-curricular programs prepare graduates for:

A life that is CHRIST-CENTERED, with

- a reflective faith that nurtures spiritual growth in individual and corporate contexts
- an active faith that informs all life's choices

We believe God is the foundation of all wisdom and knowledge. Through Christ we find merciful forgiveness and an invitation to a daily, personal walk empowered by the Holy Spirit. We are led by Christ in our search for truth.

I Corinthians 3:11: "For no one can lay any foundation other than the one that has been laid; that foundation is Jesus Christ."

A life of PASSIONATE LEARNING, through

- the mastery of a major field of study as the basis for life-long learning, service, relationships, and work in a socially and culturally diverse context
- an extensive foundation of knowledge, skills, processes and methodologies derived from a liberal arts curriculum that are required for systematic study and problem solving

We believe our faith is supported by knowledge. As a learning community, we foster a journey of lifelong learning, encouraging one another to seek truth with fervor. This spirit of academic excellence enriches our relationships, our world and our faith in Jesus Christ.

II Peter 1:5-8: "For this very reason, you must make every effort to support your faith with goodness, and goodness with knowledge, and knowledge with self-control, and self-control with endurance, and endurance with godliness, and godliness with mutual affection, and mutual affection with love. For if these things are yours and are increasing among you, they keep you from being ineffective and unfruitful in the knowledge of our Lord Jesus Christ."

A life of SERVANT LEADERSHIP, based on

- a leadership ability that empowers self and others
- a healthy understanding of self and others that is reflected in relationships of interdependence and mutual accountability

We believe that servant leadership is embodied perfectly in the life and person of Jesus Christ. We humbly set aside self-interest for the interests of others, leading in the strength of love given by God, because love for others builds up God's community. By following Christ's example, we create a culture of leadership characterized by joyful servanthood.

Matthew 20:26-28: "But whoever wishes to be great among you must be your servant."

Philippians 2:5,7: "In your relationships with one another, have the same mindset as Christ Jesus: Who ... taking the very nature of a servant, was made in human likeness."

A life of COMPASSIONATE PEACEMAKING with

- a personal integrity that fosters the ability to resolve conflict and to promote justice
- a commitment to diversity in all of its forms both conceptually and in practice

As Christian peacemakers, we embrace “shalom” – the peace that God intends for humanity. We are committed to build the “peaceable kingdom” by practicing loving kindness, restoring justice, practicing anti-racism, loving our enemies and advocating for the dispossessed. We renounce the oppressive, violent destructive powers of this world – and are willing to live our lives as examples of God’s peace.

Matthew 5:9: “Blessed are the peacemakers, for they will be called children of God.”

A life of GLOBAL CITIZENSHIP with

- an intercultural openness with the ability to function effectively with people of other world views
- a responsible understanding of stewardship for human systems and the environment in a multicultural world

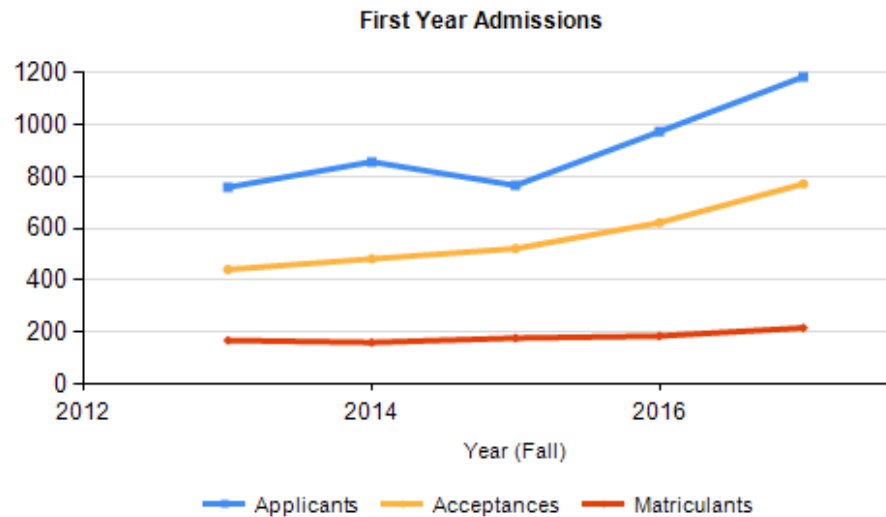

As responsible global citizens, we see, encourage and celebrate the image of God in others. We welcome and include the ‘stranger’ in our midst – respecting differences in world views while seeking common ground. We wish to transcend barriers between people not only through academic teaching and learning, but also in meaningful cross-cultural exchanges. We go into the world offering our gifts and lives in service to others.

II Corinthians 5:18-20: “All this is from God, who reconciled us to himself through Christ, and has given us the ministry of reconciliation; that is, in Christ God was reconciling the world to himself, not counting their trespasses against them, and entrusting the message of reconciliation to us. So we are ambassadors for Christ, since God is making his appeal through us; we entreat you on behalf of Christ, be reconciled to God.”

General Information

Brief History of Goshen College

Goshen College was founded in 1894 as the Elkhart Institute of Science, Industry and the Arts – a private preparatory school to provide the opportunity for Mennonite and other young people to further their education. Soon afterwards, the Mennonite Church took over its operation. By 1900 the school was flourishing, and new facilities were needed for academics and student housing. Business and civic leaders from the city of Goshen convinced school leaders of the benefits of relocating to the southern edge of their growing town, and ground was broken on a wheat field near train tracks that could accommodate delivery of students to the new campus.

From its inception, Goshen College has been known for its high ideals for excellence and energetic vision, inspired by a deep desire to uniquely prepare students as engaged church members and leaders and responsible world citizens. Soon after establishing the Goshen campus in 1903, President Noah Byers suggested a college motto that has stood the test of time: “Culture for Service” has inspired generations of students to follow the example of Jesus as they equip themselves for lives of service. Since 1997, the college has planned a day off from classes to offer hands and hearts of assistance to the community during an annual Celebrate Service Day.

In 2002, the college re-articulated the values that have long been woven into the cultural fabric of the institution: We are a Christ-centered community committed to passionate learning, global citizenship, compassionate peacemaking and servant-leadership.

From its beginnings, Goshen College students have always been highly invested in their education, the institution and the world around them: from 1941 when student leaders sponsored an impromptu parade at the news of the college first receiving accreditation by the North Central Association, to 2005 when the campus raised thousands of dollars for relief in response to the South Asia earthquake and tsunami. Goshen graduates take these experiences with them as they follow paths that change lives and change the world. A sense of vibrant connectedness to the larger world has been integral to the college since its beginnings, when three students were sent to India for volunteer efforts. And one of the college’s distinctive features is its Study-Service Term program, which was implemented in 1968 as a cutting-edge international education program and built on the experiences of faculty members who had lived, studied and served abroad. Since then, more than 6,500 students and 230 faculty members have journeyed to 19 countries significantly different than our own through the semester-long, immersion experience, which features the uncommon combination of cultural education and service-learning.

Today, more than 20,000 Goshen College alumni have been counted, residing throughout the world in more than 85 countries, and the campus has flourished from less than 50 acres to 158 acres with 18 major buildings. The college now offers 33 majors and 37 minors of academic study, with quality professional programs and facilities. In addition the co-curriculars, internships, intercollegiate athletic teams and intramurals offer students rich and balanced opportunities for personal, intellectual, spiritual, physical, social and professional growth.

Much has changed since the college’s beginnings, but the familiar sound of train whistles brings a reminder

that many things remain the same. Goshen College – rooted in the Anabaptist tradition of answering Christ’s call to reconciliation, community and service in the world – is thriving as a liberal arts college pursuing exceptional academic inquiry. With alignment of our core values and strategic plan with board of directors and presidential leadership, Goshen College is particularly poised to flourish in its second century.
