A quick guide to using the new classroom technology

ITSMedia has worked hard this summer upgrading the technology in this classroom. The following is a quick guide to using the new touch panel. Please contact media@goshen.edu, ext. 7727 for more information or to schedule a training.

*If you experience any technical trouble with the equipment, please contact the ITS helpdesk at ext. 7700 or submit a support ticket at avticket@goshen.edu. While we have tried to do our best to install and test all the new equipment, there may still be technical bugs so we appreciate your patience as we correct them.

**DIGITAL-READY MULTIMEDIA CLASSROOMS**
